

Today in the Quad-Cities

Rendleman services tomorrow

Classes will be cancelled and the dental clinic will be closed Tuesday at the Alton Center of the Southern Illinois University at Edwardsville School of Dental Medicine. All offices also will be closed except for necessary and emergency services.

In addition, all other SIUE classes and offices, at all campus and off-campus locations, will be cancelled or closed Tuesday in commemoration of SIUE President John S. Rendleman, who died Thursday.

A memorial service is scheduled at 2:30 p.m. Tuesday in Meridian Hall of the University Center.

WSTF-FM (88.7) will broadcast live the memorial service for President Rendleman, beginning at 2:30.

Participants will include the campus ministers, the University Concert Chorus and Vice-President Andrew J. Kochman, who will deliver a eulogy.

Dr. Rendleman died at St. Joseph's Hospital, Highland, where he had been a cancer patient since Feb. 19.

State Senator Sam Vadala has commented, "With the death of President John S. Rendleman, I have sustained a deep personal loss. God has seen fit to take away from me a personal friend."

"John Rendleman gave generously to me of his wisdom, warmth and understanding. The pleasure of his company, his good humor, his sharp wit, is a loss so painful I can hardly bear to think about it."

"Worse, however, is the leadership and inspiration that will no longer guide and sustain Southern Illinois University at Edwardsville, the area it serves, and all those to whom John Rendleman meant so much."

"Although the greatest measure of his fame will rest on the splendid education resource he developed in the university, it is only just to add that his concern touched every aspect of human life."

2 to 6 years for rape attempt-kidnap cases

Clarence Garrison, 30, a Scott Air Force Base technical sergeant, was sentenced Friday in Madison County Circuit Court to serve two concurrent terms of two to six years in prison for two attempted rapes and kidnappings.

Sentencing was by Circuit Judge Moses Harrison II at Edwardsville. Garrison pleaded guilty to the charges in con-

nection with a May 3, 1975, incident in which he allegedly used a gun to force three young girls into his car near Johnson Road and Carlson Avenue. He allegedly drove them to Terminal Avenue near the railroad tracks where he admits attempting to rape one.

He also was arrested Oct. 6, 1974, by St. Clair County authorities in connection with a

separate incident and pleaded guilty to attempted kidnapping and rape there. Sentencing for both counties was combined under Judge Harrison.

He had been questioned on a series of rape attempts in which it was alleged that what appeared to be a police uniform was worn.

Politics in state's past and present

(20th of a Bicentennial year Press-Record series)

Political events are in the news this Bicentennial year, and interest is escalating as the March 16 primary election date approaches.

One of the issues being discussed and evaluated by voters is the influence which Richard J. Daley, mayor of Chicago, exerts over Illinois government and his region's and state's election campaigns.

Chicago Democrats lost only two mayoralty elections between 1889 and 1931, and none since then.

Daley was first elected mayor in 1955 and is presently serving a record sixth four-year term.

Mayor Daley personifies political clout. His power seems to be greater than that of any man outside of Washington.

His tough, vital city, where the business elite works, appears to be the real capital of America.

The mayor remains what he was, living near the stockyards in the same Irish-American, modest neighborhood where he was born on May 15, 1902, and in the same house in which he has lived all his married life.

He lives his private life on the basic tenets of the Catholic faith, including daily mass. His friends are those men whom he has always known.

Daley's political career involved a gradual and unspectacular rise through the Democratic organization which he mastered in every detail.

His first bid for public office took the form of a write-in campaign when the Democratic candidate for state representative from the Ninth District died just before the primary.

After serving one term in the House, 1936-38, Daley was slated and elected to the Senate in 1938 upon the death of an incumbent. He served with distinction from 1938 to 1946.

Defeated for the post of Cook County sheriff in 1946, Daley became deputy comptroller of Cook County until 1949, director of the Illinois Department of Finance under Governor Stevenson in the same year, and Cook County clerk 1950-55 upon the death of that incumbent.

In these positions, Daley became expert in the intricacies of budgeting and personnel while proving himself to be harder working than most of his colleagues.

In 1953, Daley became chairman of the Democratic Party of Cook County, assisted by the death of the only man who could have blocked him. This was a fourth career advance made possible by a fortuitous death which added a

Ask public to help solve 2 brutal deaths

Granite City police today issued an appeal for information from anyone who may have been near 25th and Iowa Streets Thursday, the day Richard and Anna Kube, 2476 Iowa St., were murdered in their home.

Chief of Police Ronald Veizer requests that anyone who was in that vicinity between about 9 a.m. and 9 p.m. Thursday contact police to give them any recollections about parked cars, persons seen or other activities near the Kubes' home.

"Any small bit of information in this case might develop into a lead, and we would like every bit of information we can obtain about the activities in that neighborhood Thursday," Veizer said.

He requested that anyone recalling being in the neighborhood Thursday call the investigative division at 876-9027. If there is no answer, persons are requested to call 877-6111 and ask for the watch commander.

All information will be held confidential, the chief added.

An elderly man and wife were murdered in their home at 2476 Iowa Street and were found at 5:50 p.m. Thursday by a woman who was visiting a neighbor.

Funeral services for them were held this morning at a Madison funeral home.

Richard and Anna Kube were found with electrical cords from irons wrapped tightly around their necks in the basement of their home. Death is believed to have been from strangulation. Mr. Kube would have had his 80th birthday on Friday and a party for him was to have been held yesterday. Mrs. Kube was 83.

A man trimming trees for the Kube family said he noticed unusual lights on in the Kube residence Thursday afternoon, looked in an open rear door and noted the house had been ransacked.

A woman said she looked in several windows and through a northwest window to the basement fruit cellar, where she saw Mr. Kube lying face down with something around his neck.

She called police who entered the house through the kitchen door and learned the kitchen and dining room had been searched and ransacked.

Police said when they started down the stairs to the basement, they saw Mrs. Kube face-down with her hands tied behind her back with white medical tape. She had an electrical cord

wrapped three times around her neck and tied in a knot. An iron was attached to the cord.

In the fruit cellar section of the basement, they found Mr. Kube's body, also with an electrical cord from an iron wrapped twice around his neck and tied in a knot.

There were no signs either had been beaten or molested, but there was blood under the heads, believed to have been the result of the brutal strangulations. It was estimated they were murdered after noon Thursday.

Police broke a lock from a pair of coat-hat type cellar doors and removed the bodies through the opening.

Police checked the remainder of the house, but found no signs of forced entry. Officers suspect at least two murderers were involved and may have followed the Kubes inside when they returned home after grocery shopping.

Bags of groceries were on the kitchen table and some of the frozen food was still cool. A telephone was off the hook and the receiver was laying in a kitchen chair. There were two pieces of unopened mail on the dining room table which had been delivered to the home that morning about 9:40.

Every room of the house was ransacked, including the basement, where several drawers were pulled out and searched.

Police suspect the couple may have cashed their social security checks while shopping with a friend, Hilda Fortner, a waitress at the Granite City Army Installation Officer's Club and a close friend of the Kube couple for many years.

Mrs. Fortner said she drove the Kubes shortly before 9:40 a.m. Thursday to a downtown bank and then met them in Woolworth's store downtown, from where they drove to the AAP grocery and purchased groceries.

She said she believed their social security check had totaled more than \$300, possibly about \$360, and they had kept the money, rather than putting it in their savings account. Mr. Kube's Granite City Steel retirement check had been cashed earlier in the week.

She said they did not believe in checking accounts and both had difficulty writing checks, but they did keep a savings account, to her knowledge.

"Mrs. Kube always kept some money in the house and I warned her about it. But she said she needed to keep some cash, since she did not drive and might need it," Mrs. Fortner related.

She said she took the couple home about lunchtime and told Mrs. Kube to call her at about 4 p.m. Thursday. "She never called," Mrs. Fortner related.

She described the Kubes as "the nicest people. They would never do anything wrong to anybody. I don't know who would want to kill them."

"They were always together. They went everywhere together and they died together," she noted.

Police have been attempting to determine if there had been a large amount of money in the house.

"It appears the house was searched very carefully for some kind of 'stash,' but we have not been able to find it," a police spokesman said.

He revealed that Mr. Kube had only a handkerchief in his pocket.

EXPLAINING TO DETECTIVES where the bodies of Richard and Anna Kube were found in their home Thursday evening. Patrolman David Rosenberg, left, shows Detective William Harris the window through which Mr. Kube's body was seen by a woman visiting a

neighbor. Both victims were discovered in the basement of the house. They had been strangled with cords to electric irons. Funeral services were held this morning.

Presidential hopefuls criss-crossing Illinois

Campaigning in Springfield on Friday, President Gerald Ford said on the proposed replacement of Alton Locks and Dam 26 that "it is really a decision that has to be made in the first place by the Corps of Engineers."

A group of farmers had asked, "If the locks and dam are not replaced, how will Illinois farmers get their 4,400,000 bushels of grain to the Gulf ports to export?"

The president said he had discussed it with Farm Bureau

delegates at their national convention in St. Louis this year. He added, "As I understand the facts, that particular lock and dam is way over-age and is incapable of meeting the current traffic."

Pres. Ford will return to

Illinois Thursday for two days of campaigning in the northern part of the state.

The Republican primary (ex-former California Gov. Ronald Reagan, is to be in Champaign and Danville today; Belleville, Marion and Rock Island tomorrow; northern Illinois Wednesday; unspecified Illinois locations Thursday; and Chicago on Friday.

Also due in Belleville is Gov. George Wallace of Alabama, a Democratic Presidential candidate. On Wednesday, he plans a 12:30 p.m. press conference in Marion, a 3 p.m. conference at Bloomington and a 7:30 p.m. rally at Augustine's, Belleville. The next day, he will be in Waukegan, Decatur and Peoria; on Friday, Galesburg and Champaign; on Saturday, Kankakee, DeKalb and Rockford; and on Sunday, Chicago.

Former Oklahoma Sen. Fred Harris will be in Urbana, Danville, Marshall and Charleston today; in Freeburg tomorrow morning; SIUE here Tuesday afternoon, and in Springfield and Moline later tomorrow.

Another Democratic candidate, former Georgia Gov. Jimmy Carter, will be in Marion on Wednesday and Chicago on Thursday.

MR. AND MRS. RICHARD (ANNA) KUBE who were found slain in their home at 2476 Iowa St. late Thursday afternoon. Both had been strangled by an electrical cord. The house was ransacked. Police theorize burglary was an apparent motive in the deaths since the couple had cashed a Social Security check earlier in the day.

INTENSIVE INVESTIGATION into Thursday's death of Mr. and Mrs. Richard Kube kept police busy at the couple's home Friday and through the weekend. Officers are shown here in front of the house conferring

on the case. From left are Patrolman David Rosenberg, Lt. Joseph Nemeth, Juvenile Officer Dusan Gagich and Sgt. Leonard Svoboda. A rope to keep people out of the yard can be seen above the sidewalk.

Two reservists honored

Two local Army Reservists were honored at a recent ceremony at the U. S. Army Reserve Center, Belleville, at which each was presented a certificate of retirement from Headquarters Fifth Army, Fort Sam Houston, Tex.

Master Sgt. Elvin M. Siebert, 25 Edwards Drive, and Sgt. First Class Joseph Piner, Madison, also received certificates of appreciation from the 102nd U.S. Army Reserve Command, St. Louis.

Both were members of the 1009th Supply and Service Company at Belleville before being transferred to the Retired Reserve.

Sgt. Siebert started his military service Jan. 16, 1951, with basic training at Fort Leonard Wood, Mo. He served 10 months in Korea with the Second Infantry Division. Upon returning to the United States, he was assigned to the 38th Transportation Truck Co. at Fort Knox, Ky., as units platoon sergeant until being discharged Jan. 15, 1954.

He then enlisted in the Reserve and was the 1009th Supply and Service Company's first sergeant upon retirement.

He also has been employed with the Granite City Post Office 20 years as a mail carrier. He and his wife Ann reside with five of their seven daughters.

Sgt. Piner enlisted in the Army in 1945 from his home town in Aiea, Hawaii, and served in Europe, Korea, Hawaii and Greenland during his service. He was discharged in 1954.

He joined the reserves in 1965 and served with various units prior to being assigned to the 1009th as a platoon sergeant until his retirement.

He has been employed 21 years at A. O. Smith Corporation's Granite City frame plant as a welder. He and his wife reside with four of their seven children.

Special Education parents to meet

A meeting of Parents of Special Education will be held Thursday at 7 p.m. at Johnson School, 4225 Old Alton Road.

The topic will be "Hearing Impaired." The panel will include Miss L. Roundcut, Mrs. Karen Rose and James Sloan. A question and answer period will follow.

The next roller skating party will be March 15 from 6 to 9 p.m. at the Stardust Skating Rink, sponsored by Beta Sigma Pi Chapter Pi Eta.

Due to state budget cuts the schools did not receive their Special Education reimbursements as was expected, officers said. The request for \$10 million for Special Ed buildings was cut 10 per cent. Funds for the following programs were cut: The gifted program, 33 per cent, special education, 30 per cent, special ed tuition, 30 per cent, special ed extraordinary service 29 per cent, special ed personnel 29 per cent, special ed transportation 10 per cent, vocational ed, 10 per cent and regular education 5 per cent, according to Kay Hahne, president.

Primary competition for state's attorney position

NICHOLAS G. BYRON

Nicholas G. Byron, 46, Edwardsville, state's attorney of Madison County for the past four years, is seeking the Democratic nomination to run for a second term.

An Army veteran, he is married and the father of five children.

A trial lawyer 18 years and a prosecutor for seven years, Byron was elected in December as one of 11 members of the Illinois Prosecutors' Advisory Council, a new state body formed to provide advice, training and other assistance to state's attorneys.

A vice-president of the Illinois State's Attorneys Association, he serves on the Illinois Legislative State's Attorney Study Commission and is a member of the National District Attorneys Association.

The attorney has been admitted to practice before the U.S. Supreme Court.

Byron is a graduate of the Washington University School of Law, Johns Hopkins University and the National College of District Attorneys. His memberships include St. Andrew's Episcopal Church, the Madison County Grand Jury Association and county, state and national bar associations.

Prior to being elected to county office, he served on the City Council in Edwardsville. He moved to that city in 1963 and is a native of Lansing, Mich.

Statistics indicate that during his service as state's attorney, there have been convictions resulting in over 2,000 years in prison for criminals and over \$700,000 in fines.

He has emphasized employment of full-time assistants for most duties and says the staff is available 24 hours a day. He stresses cooperation with the local, state and federal law enforcement agencies and frequently praises their performance. The office also provides legal advisory services to all portions of the county government.

He estimates that grants, scholarships and state and federal subsidies that have been obtained have saved county taxpayers over \$200,000.

"The average felony case is being disposed of in less than 65 days," Byron reports. "We have one of the most current dockets in the U.S. The jails are full, and we are keeping criminals off the streets."

STEVE A. MARAGIDES

Steve A. Maragides, 38, Madison, is a candidate in the Democratic primary for the office of state's attorney of Madison County.

Also on the ballot are the incumbent, Nicholas G. Byron, and a candidate who has said he no longer is seeking votes, William E. "Bill" Johnson.

Maragides, a native of Granite City, attended Madison schools and graduated from the Northwestern University Journalism School and University of Illinois College of Law.

He served three years as a Navy communications watch officer, public information officer and defense counsel.

Maragides formerly handled juvenile court matters as an assistant state's attorney and he represented the state in workmen's compensation matters as a special assistant attorney general.

He has criticized the manner of handling legal cases involving the county juvenile detention home.

He also has assisted use of non-attorney staff members for administrative tasks and decisions.

Wallace to appear in Belleville

Alabama Gov. George Wallace will make a campaign appearance at 7 p.m. Wednesday at Augustine's Restaurant, Belleville.

The stop will be one of four Wallace will make in Illinois Wednesday. Others will be at Marion, Peoria and Springfield. The appearance will be free to the public. The restaurant is located at Routes 460 and 158 in Belleville.

Review agreement

The Granite City Air Pollution Control Board will meet at 7:30 p.m. today at 2301 Adams St., to discuss a settlement between Granite City Steel and the Illinois Environmental Protection Agency. The agreement calls for \$17.5 million to be spent on air pollution controls at the local plant. The air board also will conduct regular business at the monthly meeting.

Schedule tests for lieutenant, sergeant ranks

The Granite City Board of Fire and Police Commissioners will conduct tests Saturday, March 20, to create eligibility lists for sergeants and lieutenants on the Granite City Police Department.

Only patrolmen may take the sergeant test and only sergeants may take the lieutenant test. Probationary patrolmen are not eligible to take either.

In order to allow officers from any shift to take the tests, policemen may take either test which they qualify either at 10 a.m. or at 1:30 p.m. March 20.

DeMolay week, March 14-21

Master Councilor Stanley Myers presided at the regular meeting of James Stuart Chapter, Order of DeMolay, last week at the Masonic Temple where events of DeMolay Week set for March 14 to 21 were discussed.

Highlights of the week will be a brass band party for the children at Shiner's Crippled Children's Hospital in St. Louis County, Monday, March 15; regular meeting and election of officers Tuesday, March 16; District 10 class of candidates at the Franklin Masonic Temple, Alton, on Wednesday, March 17; Egyptian Freemasonry Legion of Honor Obligate dinner observance, Elk's Club, Belleville, Thursday, March 18, and group church attendance Sunday, March 21.

Also reported on was the DeMolay Super Weekend held in Springfield, Feb. 28 and 29. Holiday Inn East hosted the delegates and provided recreation while the Scottish Rite Temple was the scene for the ritual demonstrations and Saturday night banquet.

In attendance from the local chapter headed by Bob DeCourcy, Jr. councilor, were David Caviness, Phil Calhoun, Bruce and Tom Groshong, John McNall, Nick Thorndyke, Dennis and Mike Worthen. They were accompanied by Chapter 454 Charles Meyer.

Following the local meeting refreshments were served by the DeMolay Mothers Club.

Lawyers Endorse Kinder Over Calvo

Judgeship Race Heats Up

EDWARDSVILLE INTELLIGENCER FEBRUARY 20, 1976

By Paul Gale
Of the Intelligencer
A poll conducted by the Illinois Bar Association may play an important part in deciding the winner of the Democratic primary for Madison-Bond County Third Judicial Circuit Court Judge.

Circuit Judge Horace Calvo of Granite City received a "not recommended" rating from the majority of the lawyers who answered the poll.

Kinder said the endorsement by the lawyers is the most important endorsement a candidate running for judge can receive. He said no group of people can better appraise a judge than the lawyers who practice in a courtroom.

Postal profit goal a 'myth'

A leader of the American Postal Workers Union here said Saturday that "powerful business interests are out to skim off the post," but that parts of the Postal Service for their own profit, at the expense of postal employees and the public.

Stanley Brown, 2920 Edgewood Ave., state vice-president of the AFL-CIO union, which represents more than 300,000 "inside" postal workers, accused "profit-hungry corporations of misleading our citizens with the myth that this essential government service was reorganized in 1970 to earn a profit."

"At best," he said, "postal reform proposed only a break-even goal at some distant date in the future—a dream long since shattered by runaway inflation and dwindling mail volume."

"But by perpetuating this false profit concept," Brown added, "right wing elements are hastening the reductions in service with inhuman impacts on postal employees through wholesale transfers of personnel, closing of offices and work room speed-ups."

"The public is being had," he said, "and we are being had the goat."

As evidence, Brown cited a resolution adopted unanimously a few days ago by the AFL-CIO Executive Council at the instigation of APWU National President "Annie" Stuy. Flubey. It opposes all efforts to permit private carriers to compete for the most lucrative parts of the postal business through repeal of the Private Express Statutes, while attacking those trying "to carve out large chunks" of the Postal Service jurisdiction.

"In an effort to get the real truth before the American people," Brown continued, "the Public Employees Department of the AFL-CIO has also just spotlighted administration efforts to let the Postal Service default in the wind by denying it a reasonable cost-of-living public subsidy increase."

"By reasonable, we mean 10 percent of the USPS operating budget, which is the sum provided by the McGee bill pending in the Senate—a measure also supported by AFL-CIO Executive Council."

GC support of Channel 9 doubles over two years

Granite City nearly doubled its total membership support for the public television station KETC-TV, Channel 9 over the past two years. According to statistics, the 63 members in 1974 increased to 89 in 1975 then jumped to 116 in 1976 for a percentage increase of 5 percent of the available television homes.

"Illinois membership support for the public television station, KETC-TV, Channel 9, has more than doubled during the past two years and an even more dramatic growth is anticipated in the future," Eileen Burke, membership services director, announced this week.

She has just completed a membership survey in Illinois, which shows that area has increased dramatically in support for public television. The report was issued just prior to the beginning of the station's spring membership drive, March 6 — Monday.

The report shows that 2,445 Illinois families contributed financial support to Channel 9. The survey also showed that cable television systems in points as distant as Quincy, Jacksonville, Springfield, Mount Vernon, Centralia and Vandalia.

She indicated that the 2,445 Illinois members of Channel 9 represent three-fourths of one per cent of the 32,266 Illinois television homes reached by KETC-TV programming through direct

signal and CATV systems. Last year the station could only count 1,841 members (half of one per cent).

Channel 9 ranks 14th among the top 25 PBS stations in the country. According to the Nielsen Station Index Report the station increased its weekly viewership from 202,000 households in November, 1974 to 271,000 in November, 1975, a total of 69,000 households.

"KETC-TV receives no direct tax support so it must operate as a sort of 'honor system pay TV' operation with those who watch it paying its bills," Eileen Burke observed. "We really appreciate the growth in support by Illinois viewers," she said.

Nearly one hundred Illinois members from various organizations serve on Channel 9's Viewers' Advisory Council. Granite City are: Mrs. Mary Lou Hudson, Robert Kirgan, Don Kopp, Mrs. Barbara Jo Ament, Harold R. Fischer, Mrs. Leland H. Holt, Mrs. Evelyn Stephens and Dr. Albert W. Tritan.

For more information about Channel 9's programming or information on how to become a member, Quad-Cityans may write to: KETC-TV, Channel 9, 6996 Millbrook Blvd., St. Louis, Mo. 63130.

BURGULARY ON VINE
About \$50 cash, some food stamps, a full trading stamp book and a purse containing about \$9 were reported stolen Thursday after a burglary at the home of Barbara Merchant, 4485 Vine St. Entry was gained through the rear door which may have been left unlocked, Madison County sheriff's deputies were told.

Layoffs total 96

Daniel Churovich of Granite City, director of the Office of Manpower Development, announced reductions Friday in the Manpower Title VI Program. By laying off 96 participants and reducing the work week of the remaining 30 participants from 40 to 30 hours a week, the federally-funded program will be able to provide employment until June 30, he said.

Churovich said it is hoped that by July 1, Manpower program funding will be resumed by Congress and the work week can be increased to the normal 40 hours.

"This action by the County Office of Manpower Development is necessary because of a decrease in Title VI funds from the U.S. Department of Labor," Churovich said.

"While the Manpower program will only be able to pay for a 30-hour work week, we hope that agencies assigned the affected personnel will be able to spend the necessary funds from their own budgets to pay participants for the 10 additional hours a week."

"The 96 participants who were laid off were members of the Manpower Task Force. It was the purpose of the Task Force to perform labor intensive jobs for local units of government and local public agencies."

"Although the Task Force served a useful purpose to the community, the reduction in funds made it necessary to end this service. If additional federal funds are made available, every effort will be made to recall the members of the Task Force."

Praise for legislators

Local legislators are among those recognized by the Illinois Press Association for voting consistently to protect the people's right to know in Illinois.

The list includes Senator Sam M. Vadalabene and Representatives Sam W. Wolf, Everett G. Steele and Joe E. Lucco.

Legislators were rated on their votes on open meetings and public notice proposals in the last two sessions of the General Assembly. Those on the list voted in favor of the public's right to know on such issues as:

In the 1973 session, amendments to the Open Meetings Act and Public Notice Act to specify that home rule powers do not include existing state statutes in these two areas.

In the 1975 session, bills to require publication of notices on regular changes in the newspaper closest to the affected property, and bills to increase the rate for publication of public notices.

The Illinois Press Association represents the 800 newspapers of the state.

Vadalabene unhappy with campaign tone

Senator Sam M. Vadalabene, Democrat-Edwardsville, Downstate coordinator for Michael Howlett for governor, and Thomas J. Hanahan, Democrat-McHenry, northern coordinator for the Howlett campaign, on Friday issued the following statement:

"The time has come for the governor to issue his own executive order. The public demands that he instruct each of his deputies and appointees to desist from vicious attacks on the integrity and character of Howlett."

"These persistent attacks and character assassination are nothing more than diversion of the real issue, which is total and absolute mismanagement of state government, fraud in public debt, delinquency in serving these needing unemployment compensation and now an attempt to smear all of us."

"This smear, he has cut his budget over \$7.5 million because he has found ways to divert money from the state treasury for his budget."

"Mike Howlett turned back to the state treasury for his budget. This was money that was informed on nutrition and as dietitians we feel we should provide adequate and appropriate information for the public."

"Nutrition labeling on food products and canned goods will be one area of concentration."

Nutrition movie at GC hospital

"Improving Nutrition for the Nation — 1976 to 1978," is the theme of this year's National Nutrition Week being celebrated at St. Elizabeth Hospital.

Dietitians of the hospital staff have planned a week-long presentation of educational materials, including display posters with facts on nutrition and food comparisons, according to Cheryl Rausch, chief administrative dietitian.

Highlighting the St. Elizabeth Hospital observance of National Nutrition Week is a film entitled "Eating on the Run." This 20-minute film discusses ideas and recommendations on selection of a proper diet when a person eats out regularly or eats in a hurry, she explained.

The film will be shown at 9:30 a.m. and at 1:30 p.m. on Tuesday and Thursday, March 9 and March 11, in the hospital library, located on the ground floor.

The public is invited. In addition to the film, a hospital dietitian will be available at these times to answer questions.

"Everyone has a right to be informed on nutrition and as dietitians we feel we should provide adequate and appropriate information for the public," she said. "This is the fourth year National Nutrition Week programs have been offered at St. Elizabeth Hospital."

Nutrition labeling on food products and canned goods will be one area of concentration.

She said the labeling program is administered by bureaus of the federal government to protect consumers and to make people more aware of the products they are buying.

"Of particular interest is the fact that the order of the ingredients listed on the package tells the consumer which ingredient accounts for the largest amount of the product."

"For example, if a can of beef stew lists water instead of beef as the first ingredient, then although the food product may be nutritious and not beef," she explained.

Calorie, protein, fat and vitamin supplementations are another area where the consumer should be knowledgeable, she said. Although the food product may not say pure beef on the package, for example, the vegetable protein supplements in the product may make it nutritionally equal in value."

Among other nutritional aspects to be dealt with during Nutrition Week at St. Elizabeth Hospital is the "fallacy of magical foods."

Typical examples of the fallacies are that carrot juice relieves leukemia, apple cider vinegar is a general cure-all (especially for arthritis), and fish and nutmeg are brain foods. She hopes that Nutrition Week will serve as an educational tool to eliminate such incorrect beliefs.

7 injured in Collinsville man killed

Seven persons were injured in an accident at 23rd Street and Madison Avenue involving the northbound car of Thomas Johnson, South Roxana, which contained six passengers, and the auto of William Shemonia, 9, of 2124 Benton St., eastbound and containing two passengers.

Injured in Shemonia's auto were Tammy Walker, 14, St. Jacob, who suffered injuries to her neck and shoulder and was transferred from St. Elizabeth Hospital to Firmo Osage Hospital, St. Louis, and William Shemonia, 17 months, also of 2124 Benton St., who was treated for bruises to his forehead and was released from the local hospital.

Five passengers in Johnson's auto suffered minor injuries and were taken to Alton Memorial Hospital. Taken there by ambulance were Michael Boner, 7; Deanne Boner, 9; Vicki Johnson, 27; and Jason Johnson, 2, all of South Roxana. Mrs. Francis Johnson, 53, of South Roxana, was taken to Alton Memorial Hospital by her husband.

James A. Rasmussen, 42, Collinsville, died at 3:45 a.m. today at St. Elizabeth Hospital, of injuries suffered in an auto accident about 12:05 a.m. Friday on Route 157, a mile south of Interstate 270.

He and Dan Gremaud, 22, Edwardsville, were taken by ambulance to St. Elizabeth Hospital following the accident. Mr. Rasmussen, who was knocked unconscious in the accident, suffered abrasions and contusions to his neck, stomach, legs and neck, multiple fractures to his ribs, a shoulder injury, and possible injuries to internal organs. He was unable to move his legs and was admitted to the hospital's intensive care unit.

Gremaud suffered an injury to his chest which struck the car's steering wheel, and cuts to his chin and left hand. X-rays were taken, a cut was sutured and he was admitted.

Mr. Rasmussen's body was taken to a Collinsville funeral home where arrangements are pending.

Typical examples of the fallacies are that carrot juice relieves leukemia, apple cider vinegar is a general cure-all (especially for arthritis), and fish and nutmeg are brain foods. She hopes that Nutrition Week will serve as an educational tool to eliminate such incorrect beliefs.

Venice firemen responded to a fire call at the home of Theo Porter, 1004 rear Logan St., Venice, three times Friday.

The first call came at 6:30 a.m. and 16 firemen were at the scene for two hours, returning to the fire station at 9:30 a.m. They were called again when an area in the attic rekindled.

A burning mattress was the cause for the firefighters to go out again at 9:30 a.m. An estimated \$1,300 damage to the property and \$7,000 to the contents was caused by the fire. Cause of the fire is not known.

Politics

(Continued from Page 1)

sense of destiny to his emergence as a leader.

His success depends in a major way on the fact that he combines the administrative power of the mayor's office with the political clout of the chairmanship of the Democratic Party.

He handles patronage himself, strengthening an organization which can deliver an automatic advantage of 100,000 votes in almost any election, and thus assures that his administrative desires are carried out.

Reaching a judgment of the mayor's career is not unlike the man who asked, "How's your wife?" and got the reply, "Compared to what?"

Chicago's difficulties center on an inadequate school system, racial discord and urban renewal.

Daley's worst period came in 1966 and again in 1968 when the West Side was put to the torch by angry blacks.

His "shoot to kill" order and the televised police violence at the Democratic Convention in 1968 remain national embarrassments.

While other municipal governments collapsed under the weight of complex urban problems, and as their officials came and go, Daley and his city seem to gain strength.

Daley's play succeeded so well that many analysts credit the mayor of Chicago for the Kennedy presidential victory in 1960.

One recent biography is entitled "Boss" and another "Clout," and the undeniable point they make is that Daley is in charge.

In balance, Chicago appears better off because of it, many Illinoisans believe.

The mayor has been a builder on the grand scale, responsible for planning the sky time and again with new skyscrapers, for tracing broad highways across the face of the city, and for replacing urban slums with a university.

Both the image and the actuality of prosperity in Chicago have been real during the quarter century of Daley's supervision of its affairs.

He is credited with retaining a reputation for personal honesty and increasing the level of decency and efficiency of the police force, notwithstanding occasional scandals.

Daley is thoroughly respected by all Presidential hopefuls.

His mastery of American politics is best illustrated by his attempt to elect John F. Kennedy in 1960.

In close alliance with Chicago's arbiter of black politics, Cong. William Dawson, Daley's plan included winning Chicago for Kennedy by a margin large enough to ensure a victory in Illinois, and announcing a huge Democratic majority in Cook County on election eve that Republicans on their way to the polls on the West Coast would turn homeward without voting.

It was hoped that even Nixon himself might concede before the final results were in, or at the least question them less vigorously.

When the mayor was found, "We don't even know if he carried a wallet, but, if he did, it was stolen."

Neighbors said the Kubes probably would not have let anyone into the house. They were known to be very cautious and called neighbors when there was anyone at their door, rather than letting them in.

Police found the front door unlocked, but closed.

Investigators of the Illinois State Crime Laboratory were called to the scene and searched for signs the door locks may have been tampered with, but said there were no signs of the doors being tampered with or forced open.

Detectives and investigators remained at the house until 4:30 a.m. Friday, dusting for fingerprints and searching for clues. They returned later Friday to continue the search and to talk to neighbors.

Checking the house for the fingerprints, footprints in the mud or other clues continued Saturday and Sunday as the police maintained a rope around the house and yard to keep people away.

Lately dozens of people have been questioned by our department since Thursday and about 10 persons have taken polygraph (lie detector) tests during the weekend, a police officer said.

It was noted that the five-man Chicago City detective team has worked almost around the clock since the murders were discovered and each detective averaged only about seven hours total sleep between Thursday evening and late Sunday.

A young man who was arrested Friday evening on another charge was considered a suspect in the murders for a time, but most suspicion about him was cleared after he consented to a lie detector test Saturday. It indicated he did not know about the murders.

"We have hundreds of suspects, but no firm ones," an officer summarized.

Both Mr. and Mrs. Kube were born in Hausdorf, Germany, and had resided here 52 years. They also belonged to the Greater Beneficial Union, District 491.

Mr. Kube worked as a shearer in the North Plant at Granite City Steel from March 21, 1924, until he retired March 31, 1961. He was a member of the Steelworkers Local 30.

Mr. Kube is survived by cousins, Mrs. Anna Hilbig and Mrs. Harriett Hollerbach, both of St. Louis, Paul Kube of Madison, Alfred Kube of O'Fallon and Edward Kube of Granite City. The couple also were close friends of Mr. and Mrs. Dale (Hilda) Fortner of Granite City.

Funeral arrangements are given in the obituary column.

Disturbance at theater

(Continued from Page 1)

Two youths were arrested, following a disturbance at the Washington Theater, 1336 Nineteenth St., at 9 p.m. Friday.

Theater officials said two youths were asked to leave and initially refused. When they did begin to leave, the older of the two pushed a window out of the lobby and the other displayed a knife and threatened an usher, it was alleged.

Police were called and said they chased two youths along 19th Street until the two got into a car with a woman driving and left the scene.

At 11:35 p.m. two youths came to the police department with the parents of one of the youths and said they wanted to "straighten the issue out."

Officers charged Tommy Hughes, 18, of 2717 Roosevelt Ave., with criminal damage to property and charged a 16-year-old juvenile with disorderly conduct. Hughes was released after posting \$50 bond and the bond was released on \$25 bond.

Mrs. Draves dies at home

Mrs. Clara G. Draves, 61, of 104 St. Ellen Drive, O'Fallon, Ill., died at her home at 11:55 a.m. Saturday, following an extended illness. Among the survivors is a son, Clyde Draves, of Granite City.

Mrs. Draves was born in Jackson County, Ill., and lived in the East St. Louis area before moving to O'Fallon some years ago.

She was a retired employee of the Reynolds Metal Co. of St. Louis, and a member of Trinity Lutheran Church of East St. Louis.

Her husband, Albert Draves, died Sept. 28, 1968.

Beside her son, also surviving are two brothers, Charles Asbury of Caseyville and Wilbur Asbury of Champaign, Ill.; three sisters, Mrs. Freda Hernandez, Mrs. Adeline Wilson, both of Belleville, and Mrs. Glen (Mable) Brown of St. Mary's Mo.; and two grandchildren.

Funeral arrangements are given in today's obituary column.

Services held for J. B. Carrington

Funeral services were held in Los Angeles, Calif., Saturday for J. B. Carrington, 88, of Whittier, Calif., a brother of three Granite City residents who died in Whittier March 2.

Mr. Carrington was a brother of Mrs. Bessie Hickman, Wayne Carrington and Booth Carrington, all of Granite City. He would have been 89 years old on March 5.

Before moving from the Quad-Cities, he was a motorman on the McKinley street cars for the Illinois Traction System.

College testing program at North

GCIS North's Counseling Department will conduct a college admission testing program for the school's junior grade-level students in the school's cafeteria at 7:30 p.m. Wednesday.

Al Bowden, a North counselor, notes the program is designed primarily for 11th grade students, but that all high school students and their parents are invited to attend.

Such topics as how to apply for financial aid to defray expenses of a college education are among those to be discussed.

How can I arrange a Trust?

You realize that you need a trust — a financial plan that provides security for you and your family both now and in the future.

You believe that a trust would be feasible for you. You have your life insurance; you own your home; you have accumulated some personal property; you have maintained a savings account and even invested in a pension or profit sharing plan.

The question now is how to use your assets most wisely — how to save estate tax dollars, and have the assurance that your financial interests are being managed by experts trained to assume such responsibility.

The answer is simple. Call Larry Gipe at First Granite City National Bank. They will provide you with all the necessary information, with no obligation. The result: your attorney will draw up a trust tailored to fit your individual needs and objectives.

First Granite City National Bank — experts you can trust.

Long Lake calls rescue van bids

The Long Lake Volunteer Fire Department will accept sealed bids through 7 p.m. Wednesday on a parcel step van to be used as the department's new rescue vehicle.

The vehicle is being purchased primarily with Community Development grant funds from Madison County, assisted by a federal revenue sharing grant from Nameoki Township.

GC Elks 1st in ritual contest

Granite City Lodge 1083 of the Benevolent and Protective Order of Elks took first place in the Southwest District of the Illinois Elks' Association Ritual contest held last week at the local lodge.

Granite City Lodge had five first place winners and two second place. The winning officers from the local lodge were: Esteemed Leading Knight Steve Diak, Esteemed Lecturing Knight Clyde Mertz, Esquire Dave Moser, Inner Guard James Logan and Chaplain Arthur Trinchel.

In addition, Trachel was judged the top performing officer in the contest. Other first place winners were Exalted Ruler Frank Grinick and Esteemed Loyal Knight Harold Kink, both of Carlinville Lodge 1412. The second place winners from Granite City were, Harold Taylor, exalted ruler, and Esteemed Loyal Knight William Mison.

The Granite City team was coached by past state president of the Illinois Elks Association and past exalted ruler of the local lodge, James K. Kenney,

and Past Exalted Rulers Joseph L. Harding and William A. Russell. Mike Darrick of Carlinville Lodge 1412, Wouth-west District Ritual chairman, was in charge. The certified judges of the contest were: William Grimes of Mattoon lodge, Henry Bray, Champaign-Urbana and Harry Little of Tuscola lodges, and word checkers, John Moreiko and Paul Seelman of the Belleville lodge. The Southwest District is composed of Granite City, Belleville, Fairview Heights, Carlinville, Pans, Taylorville, Litchfield and Jerseyville Elks lodges.

The next step for the Granite City lodge is to compete with the district winners of the other seven districts that make up the Illinois Elks' Association at the annual meeting of the Illinois Elks' Association which will be held on May 20, 21, 22 at Peoria. The winning lodge of the state contest will then advance to

national competition at the 1976 annual convention of the Grand Lodge of the Benevolent and Protective Order of Elks to be held at Chicago, beginning July 4, 1976. Richard J. Strope of Pekin Elks' Lodge is president of the Illinois Elks' Association which is comprised of 97 Elks lodges in the state of Illinois, and Robert Yeast of Macomb lodge is state ritual chairman.

Coch Kenny has advised the Granite City lodge officers that practice for the state contest will be held twice a week beginning March 8 and three times a week beginning May 3 in preparation for the state contest.

John Kakligian, 81, dies

John Kakligian, 81, of 1638 Olive St., died at 10:15 a.m. Saturday at St. Elizabeth Hospital where he had been a patient three and a half weeks. He had been ill two years.

Mr. Kakligian was born in Armenia and resided in the Quad-City area about 70 years. He retired about 1960 from the Castings Division of General Steel Industries where he had been a cormaker 50 years.

He was a member of St. Gregory's Armenian Apostolic Church, the Armenian Relief Federation and the Patriotic Society of Khedgi.

Surviving are his widow, Mrs. Zavarut Kakligian, three daughters, Mrs. Sharon "Stum" Kakligian Keirian of Belleville, and Mrs. John (Lucy) Avdoian and Mrs. Berch (Rose) Mekarian, both of Niagara Falls, N.Y., and 10 grandchildren.

Funeral arrangements may be found in today's obituary column.

McKinley carnival Friday

The annual McKinley School "idea of March" school carnival will be held Friday from 5 p.m. to 8 p.m. at the school, sponsored by the PTA.

A carnival atmosphere will fill the school gymnasium as fun, food, and games will highlight the event.

One of the fun booths will be a

"wacky hospital." Games will include a teddy bear toss, ring-a-prize, cakewalk, a fishing pond and numerous other attractions.

Sloppy jokes, coney islands and plain hot dogs will be available along with potato chips, popcorn, cupcakes, soda and coffee.

The public is invited.

Mrs. Clara Elliott dies

Mrs. Clara E. Elliott, 76, of 2429 St. Clair Ave., died at 1:20 p.m. Friday at St. Elizabeth Hospital where she had been a patient since Feb. 17. She had been ill two years.

Mrs. Elliott was born in

Olney, Ill., and resided in the Quad-City area since 1923. She was a member of Central Christian Church, the VFW Auxiliary, Barracks 34, Veterans of World War I, Auxiliary and Royal Neighbors 3339.

She is survived by her husband, Jay Elliott, a son, Jack Elliott of Granite City; a daughter, Mrs. Kenneth (Lorna) Smith of San Antonio, Tex.; a sister, Mrs. Bertha (Cora) Hannibal, Mo.; seven grandchildren and six great-grandchildren.

Funeral arrangements may be found in today's obituary column.

Armed robbers get \$4 cash

James Edwin Lomax, 32, of 1225 Douglas Ave., Venice, reported to police at 12:45 a.m. Friday that he was robbed on Douglas Avenue by two men who approached him in a dark-colored station wagon.

The driver reportedly said, "Hey brother, come here," and asked directions to a lounge, when a man in the back seat jumped out and pointed a sawed-off shotgun at Lomax. The armed robbers took a billfold containing \$4, a driver's license and other personal papers, a coat and Lomax's cap.

The driver reportedly said, "Let him go," and the two drove west on Douglas avenue, then turned left on Weaver Street.

The two were described as being between 19 and 21 years of age, weighing 150 to 160 pounds and about five feet, nine to ten inches tall.

BURGLARY ON LEE

A bathroom window was broken to gain entry to the home of Laura Lipmeyer, 2168 Lee Ave., during a burglary reported at 12:35 a.m. Saturday. A board was leaned against the broken window and was believed used to walk or crawl up to the window. There were blood spots in several areas of the house, indicating a burglar may have cut himself climbing in. Two wrist watches valued at a total of \$106 were the only things known missing.

Woman is beaten

Shirley Collier, 218 W. Second St., Apt. 2, Madison, suffered bruises and swelling to her face and an arm after being beaten by a man who came to her apartment, she reported at 3:30 a.m. Saturday.

She said when she answered the doorbell, a man struck her several times with his fists, knocking her unconscious.

He then poured a pitcher of water on her and when she regained consciousness, he beat her with the empty pitcher, she said.

CITY STICKERS

Madison City vehicle stickers are being issued free until April 1 at the office of Albert Hudis, city controller, 1529 Third St., Madison, between 8:30 a.m. and 4:30 p.m. weekdays. Beginning April 1 a \$5 fee will be charged.

Optimists competing in attendance contest

At the Granite City Optimist Club meeting Thursday noon in the YMCA, Optimist President David Brooks announced that the attendance contest team headed by G. H. Sternberg is leading the team headed by Frank McGinness 275 to 225.

Members on Sternberg's team are Arthur Roseman, Frank Rea, Ray Henley and Michael Tharp.

McGinness team members are Larry Gipe, Ernest Veihl, Jim Winning and John McDonald.

On Thursday, March 18, if Sternberg's team wins, McGinness will have to push the local contractor around Civic Park in a wheelchair.

If McGinness, who is the

controller at St. Elizabeth Hospital, is the winning captain Sternberg will push him around the park in a wheelchair.

Wives of club members are being asked to attend the March 18 meeting, and for that meeting every member of the club also must bring a youth as his guest.

Lyle Ward, director of the Mississippi River Festival, was the guest speaker.

Optimist Rea said address stunts the entire club and Ward when they learned during the meeting of the death of SUE President John S. Rendleman who died at 10 a.m. Thursday. A moment of silent prayer was held for the late President Rendleman.

Chouteau budgets \$152,260 in road, bridge accounts

Tentative 1976-77 fiscal year road and bridge budgets totaling \$152,260 have been posted for public inspection by Chouteau Township Highway Commissioner James Estes and may be viewed through Tuesday, March 30, at the town offices at 825 Thorngate Drive, Mitchell.

The new budgets are \$19,840 higher than the present budgets, which will remain in effect through March 31.

The total includes \$75,260 in the general road and bridge fund, up \$5,340 from \$70,420 this year, \$59,000 for the permanent

road fund, up \$12,000 from \$47,000 this year, \$7,500 for the equipment and building fund, up \$2,500 from \$5,000 in the present budget, and \$10,000 for municipal retirement, the same as last year.

A general fund appropriations are: administration \$18,510; construction of roads, \$3,000; maintenance of roads, \$20,000; oiling of roads \$20,500; buildings \$3,750, and contingencies, \$1,000.

Appropriations in the permanent road fund are \$34,000 for the maintenance of hard roads and \$25,000 for the

maintenance of earth roads. The entire \$7,500 appropriation in the equipment and building fund is for repairs to machinery.

A public hearing on the budgets will begin at 7 p.m. Tuesday, March 30, at the town offices, after which the Chouteau Town Board of Auditors will meet to act on the budgets.

Study Chouteau town hall building plans

A joint meeting between the Chouteau Town Board of Auditors and the township's Bicentennial Committee, was devoted to discussing plans for constructing a township hall and community center building.

The township plans to construct a pre-engineered metal building this summer with a combination of federal revenue sharing and Community Development grant funds.

The majority of the building would be devoted to a large hall for community gatherings and activities while a smaller portion would be used for town hall offices. It is to be constructed near the present highway garage behind the Midwest Motel.

John Kapp, architect of the building, said he hopes to complete working drawings by June 1 and bidding should be underway by mid-June.

The township's second year Community Development money is expected in early July, when construction will begin.

The Bicentennial Committee reported it is planning a fund-raising drive to help equip and furnish the building. Betty Lavelle was appointed treasurer of the committee last week and was authorized to establish a bank account for the committee's funds.

Using a Bicentennial theme, the committee hopes to receive donations from individuals and businesses whose names will be placed on a plaque for permanent display in the building.

The committee Tuesday night discussed tentative prices of tables, chairs and necessary furnishings for the kitchen in the community center.

Lasting favorable impact in this region from John Rendleman's effective leadership of local university

The wonder of John Rendleman's short life was that he was able to pack so much constructive activity into his nearly 49 years. The tragedy of his death, due to lung cancer on Thursday, was that his voice would be stilled with many objectives yet to be accomplished.

Southern Illinois University traces its history for more than a century and he became associated with it at Carbondale in 1951 after graduating there in 1948. From the posts of acting counsel and assistant professor of government, he advanced to assistant to the president, executive director of business affairs, general counsel, vice-president for business affairs and professor of government.

Dr. Rendleman was among those who were instrumental in the establishment of SIU at Edwardsville. The local campus opened in 1965-66 and he was its chief administrator since July 1968, first as chancellor and then as president.

John Rendleman not only aided in the creation of the new university but did his best to make it a good one. SIUE grew rapidly to meet longtime needs of this region, and the caliber of the faculty that was assembled is regarded as unusually high.

Teaching rather than excessive involvement in research received chief emphasis, and through potentially turbulent times the administrator was able to use his insight and intellect and sense of humor to good advantage, providing a calming

influence that preserved an effective instructional climate.

The educator was sometimes viewed as pushing for too much too fast. But, as his death so sadly proves, what was achieved did not so much benefit him as it did the citizens of Illinois to whom he was devoted.

Many news columns are required to note his diverse interests, but among the more noteworthy from Quad-City's vantage point were his service on the governing board of St. Elizabeth Hospital and his leadership of the Mississippi River Festival, this region's main summer cultural series.

Still unfinished are the attempt to obtain a major civic center in the campus area and the effort to achieve fuller autonomy for the local university. But both goals are nearer to being achieved than would have been the case without President Rendleman's active role.

Stricken last July, he failed to live out SIUE's tenth anniversary observance but he was able to participate in many events of the year-long program.

Aware almost from the start that his illness would be fatal, Dr. Rendleman continued an amazingly full schedule, even attending and presiding at recent meetings that he was able to reach only with the aid of a wheelchair. He "showed a lot of class," in adversity as well as in happier times, and his impact on this region will be long-lasting.

Village may wish to avoid excessive purchasing leeway

In communications, one of the worst sins other than inaccuracy is lack of clarity. Each sentence needs to have only one meaning; if it can be interpreted two ways, it has failed to enlighten.

This fact would seem to have even more significance in the writing of laws; ambiguous ordinances are the opposite of what was originally intended.

Since considerable uncertainty has arisen over a Feb. 13 enactment by the Pontoon Beach Village Board, it would appear to be appropriate for the board to study what it was trying to accomplish and

make another attempt to spell it out more clearly.

Clarity is even more important in view of the many interpretations a vaguely individual power to spend up to \$1,500 in village funds for almost anything in almost any fashion, competitive or non-competitive.

The trend in recent years has been for governmental bodies to improve and tighten their procedures so that taxpayers and suppliers are assured of economy and that the taxpayers' money is not being used to reverse such a healthy trend.

Thompson favorite; Walker-Howlett race may be close

By BOB ESTILL
SPRINGFIELD — Gov. Dan Walker and Sec. of State Michael Lind are running close in downstate cities, according to soundings taken for the Republican State Central Committee.

The sampling also shows James Thompson with a commanding lead over Richard Cooper for the Republican nomination for governor. President Gerald Ford leading Ronald Reagan, and Sen. Edward Kennedy the name most frequently mentioned as a Democratic presidential candidate.

The early poll results were confirmed for this column by Andy Madonia, a public opinion consultant on contract to the GOP State Central Committee.

Madonia said the sampling is based on about 250 telephone interviews with voters in Carbondale, Quincy, Peoria, Kankakee, Rockford and the LaSalle-Peru area. He said the results have "statistical validity" only when taken as a whole because the survey wasn't large enough to serve as a barometer of public sentiment in a given city.

Howlett was leading Walker 5 to 4 in those areas until recently when Walker started gaining strength, Madonia said.

Samplings taken recently in the Rockford and Peoria areas show Walker slightly ahead, possibly 5 to 4, in the overall tally for the polled cities, he reported.

Walker did get statewide exposure with his "State of the State" message, and it could have influenced the sampling.

The sampling has been taken only in downstate cities and doesn't reflect viewpoints of rural voters or those in Cook County, Madonia stressed.

Howlett, with the backing of Chicago Mayor Richard J. Daley and the Cook County Democratic organization, should roll up a big plurality in Cook County.

Walker will have to score high downstate in both urban and rural areas to offset that Cook County edge. Walker did run well against former Gov. Richard Ogilvie in the rural areas. Although downstate generally treat Daley and Chicago with suspicion, he has had sporadic support in every area of the state.

Thompson was the overwhelming preference of Republican voters surveyed (Republicans were polled on the GOP contests; Democrats on the Democratic races).

The former U.S. attorney endorsed source of the poll confirms Thompson is following the right tack by maintaining a low public profile and spending his time in consolidating his strength among

GOP leaders until he finds out who the Democratic candidate will be.

Madonia said Reagan 3 to 2 in the sampling, but that should be little consolation for him. The rural areas not included in the preliminary samplings are normally conservative and could be expected to go for Reagan. One big question mark in that race is for whom will the some 70,000 Republicans in the city of Chicago cast their vote.

On the Democratic presidential sweepstakes, the poll was less specific. Instead of a single choice of definite candidates, they were asked who they would like to see head the Democratic national ticket.

Although the final tally hasn't been made, Kennedy is a clear leader, followed by Sen. Hubert Humphrey and Alabama Gov. George Wallace, who has had sporadic support in the rural areas.

The Republicans are using the Madonia survey not as a precise barometer of public sentiment but as a guide. They hope to be able to determine before the election who will be the probable winner of the Democratic gubernatorial primary so they will have a headstart in planning their strategy. If it's Walker, they have his record to be rate. If it's Howlett, his association with Daley is a probable target.

At any rate, the GOP is hopeful it can pinpoint some of its own areas of strength and weakness through the survey.

Growing number of steel users moving away from Illinois taxes

By ROBERT D. McBRIDE
President
Granite City Steel
Division of
National Steel Corporation
Testimony March 3 at Illinois
House Revenue Committee
hearing:

It will be helpful if I preface my comments on the 8.5 tax ratio with a description of the business I represent.

Granite City Steel's principal properties and executive offices are in and around Granite City. Our operations begin with the assembly of iron ore and pellets, coal, limestone and other raw materials from which we produce blast furnace pig iron.

We use the pig iron to make steel which is then converted into plate, hot and cold rolled sheet, galvanneal sheet and other flat-rolled steel products.

There is more flat-rolled steel than any other product in the world. It is used by manufacturing plants throughout most of the Midwest, South and Southwest, and other states as important a part of our market as this one.

From 25 per cent to 30 per cent of our total sales are to customers right here in Illinois. When we hear that business is leaving Illinois, we get worried.

Granite City Steel is one of the largest employers and taxpayers in Southern Illinois. We have more than 5,000 men and women on our payroll.

We generate additional employment through our expenditures for plant expansion and improvement. For example, we will begin construction before long on a new slab reheating furnace and steam boiler.

The two projects together will mean about 500 construction jobs. The slab furnace will also provide about 65 additional production jobs when it goes into operation.

There will be several hundred other jobs at Granite City Steel for Illinois building tradesmen during the next two years.

We expect to spend upward of \$28 million in that period, under a recent agreement with the Illinois Environmental Protection Agency, to reduce air emissions and improve water quality.

These are totally non-productive facilities. In other words, a very substantial part of the capital dollars available for Granite City Steel in 1976 and 1977 will:

—Yield no return in the form of higher sales and earnings.

—Create no additional jobs at our plant.

—Add nothing to our income tax and sales and use tax payments to the state of Illinois.

Granite City Steel puts a lot of money in Illinois, of the area around our plant. About 93 per cent of our employees live in the state of Illinois.

Their direct taxable income subject to state income taxes amounts to approximately \$52 million annually.

We also spend tens of millions of dollars a year with suppliers in Southern Illinois.

We are one of the largest producers of state and local tax revenues in Southern Illinois. I have gone into the impact of our plant on the surrounding economy because it seems to me that the state as well as the owners of our business should be anxious to ensure its economic health.

Granite City Steel and the manufacturers we supply are important sources of employment for Southern Illinois, and Southern Illinois needs all the employment it can get.

I am not here as an expert on taxation or how best to finance

state expenditures. However, I do know something about the competitive nature of business and the difficulties any business encounters when it has a non-competitive cost burden — a cost not shared by rival businesses.

Let me be specific. Our state and local tax payments amount to about 7½ cents per dollar of sales made in Illinois in an average year and at present tax rates.

While 7½ cents may not sound that big, it is well above what National Steel has earned on sales any year in the last ten. In 1975, National Steel earned only 2.6 per cent on sales. That was a bad year for the steel business. But 1974 was a very good year, and we earned only 6.4 per cent.

I am told that the overall business tax burden in Illinois is among the highest in the U.S. I am also told that the Illinois tax force has been shrinking while the national trend is up — and that this state lost more population in 1974 than any other.

I am sure there is more than one reason for those conditions. Higher taxes are a cost of doing business — and business costs are a tremendous influence these days on business decisions.

In other words, further additions to the business tax burden in Illinois may well turn out to be counterproductive.

It would be not impossible to move a steel mill as big as

Granite City to another location. But many of our customers can and do move when they find a more favorable, less costly environment in which to operate.

We find a growing number of steel-planting in places like Greenville, Miss., and elsewhere in the South where the tax burden is relatively light.

Sometimes we can keep on supplying those companies. Often we lose the customer, who moves to a rival mill located nearer his new plant location — and when we do, we lose jobs, too.

Eliminating the 8.5 ratio would be a preliminary, we believe, to legislation increasing the corporate share of state income taxes. This would only serve to accelerate the downward trends in employment and population in Illinois.

This state, and especially the southern part of it, needs more jobs, not less. It needs more business, not less. And you, just as we, are in a competitive world.

If your costs, the tax burdens you impose, get too high, you will lose taxpayers — just as we would lose customers to lower-cost steel producers.

We strongly recommend that the legislature kill all proposals to eliminate the 8.5 ratio limitation on state income taxes.

Nearly by states overhauling taxes to aid profits, curb loss of jobs

By PAUL H. KELLY
Plant Manager
A.O. Smith Corporation
Granite City

Illinois House Revenue Committee testimony on March 3.

My appearance is on behalf of all of the Chambers of Commerce in the metropolitan area of Madison and St. Clair Counties. This is the second largest industrial and population center in the state.

Our concern is with Joint Resolutions CA 22, 23, 24 and 25—all of which deal with elimination of the constitutional provision for the 8 to 5 ratio of corporate to personal income tax rate.

The problem of how to increase state revenues to meet the growing needs of Illinois is the concern of this committee.

During the past two years, we have suffered through a period of rapid inflation and recession resulting in high unemployment and an increased demand for state services.

We understand the dilemma which confronts you and sincerely hope that our remarks can help in finding solutions.

Illinois needs jobs. It is estimated that—just to stay even with national growth—Illinois needs 600,000 new jobs costing business about \$45 billion in the next decade.

This \$45 billion in new capital must be obtained from profits made by corporations currently operating in Illinois—or by borrowing from those who have capital with the promise of repayment from future profits—or from businesses currently operating in other areas which would find this source.

On the Democratic presidential sweepstakes, the poll was less specific. Instead of a single choice of definite candidates, they were asked who they would like to see head the Democratic national ticket.

Although the final tally hasn't been made, Kennedy is a clear leader, followed by Sen. Hubert Humphrey and Alabama Gov. George Wallace, who has had sporadic support in the rural areas.

The Republicans are using the Madonia survey not as a precise barometer of public sentiment but as a guide. They hope to be able to determine before the election who will be the probable winner of the Democratic gubernatorial primary so they will have a headstart in planning their strategy. If it's Walker, they have his record to be rate. If it's Howlett, his association with Daley is a probable target.

At any rate, the GOP is hopeful it can pinpoint some of its own areas of strength and weakness through the survey.

advisable to bring capital into Illinois in anticipation of profit-making opportunities yet to be realized.

Whatever the source of the money that must be provided to create jobs in Illinois, that capital must eventually be derived by profits to be made in Illinois.

That is a simple, understandable, economic fact that every legislator, every citizen—must learn and accept if we are going to find employment for our sons and daughters in Illinois business enterprises.

Permit me to relate an example from my own experience of how this works, an example from the past and unfortunately one which we see less and less of in these times.

When the A. O. Smith Corporation, whose corporate office and largest manufacturing facilities are located in Milwaukee, Wis., began to look for a suitable location to manufacture its newly developed glass-lined water heaters back in the 1940s, it settled on a site near Kankakee, Ill.

Later, in 1954, its experience in Illinois having confirmed the judgment that this was a good place to do business, a site was selected for the expansion of the Automotive Division's manufacturing plant.

The Granite City plant was built and began production of automotive frames.

As recently as 1973, A. O. Smith's ardor for Illinois' business climate was still fervent, and it began construction of a 388,000-square-

foot facility at DeKalb to manufacture those beautiful blue crop-storage units which have become so much a part of the Illinois farm landscape.

Those three major plants at Kankakee, Granite City and DeKalb—together with supporting facilities in Chicago, Arlington Heights and Deer Park—represent a capital investment by a corporation with its headquarters in Wisconsin totaling approximately \$120 million supplying jobs to 3,600 people.

If there is to be further expansion by A. O. Smith and more jobs created, capital must be made available from profits yet to be earned.

Be assured that A. O. Smith desires to stay in Illinois and to grow and to be profitable in Illinois.

During the first half of this decade, our nation has become aware of some new problems and has begun to view old ones with a more critical eye.

After many years of ignoring the effects of our way of life on the environment, we have become alarmed. We are endeavoring to correct the mistakes of the past and to prevent our own destruction through the fouling of air and water.

In our factories, in mines, and at construction sites we are endeavoring through the provisions of the Occupational Safety and Health Act to provide a work environment that will enhance the welfare of our employees.

The requirements that we clean up the air and the water and the work environment must by law take priority over the requirement for capital to

supply those 600,000 new jobs needed in Illinois just to keep pace with national population growth rate during the next ten years.

Last me give you another example with which you may be familiar. Just last week newspapers in Madison County related an agreement between Granite City Steel and the Illinois State Environmental Protection Agency whereby Granite City Steel will install \$17½ million worth of equipment in the next two years to clean up emissions and bring its operations into compliance with state and federal clean air laws.

Granite City Steel had already budgeted \$10½ million during the same period of time to clean up water pollution problems.

That's \$28 million of capital that must eventually come out of profits. Pollution control equipment does not create capital, increase production, or provide jobs except, of course, temporarily to the people who install it.

Last year, Granite City Steel shipped 1,036,462 tons of steel; 1975 was a bad year. Let's say that they have a good one in 1976 and ship two million tons.

Then, for every ton of steel shipped in the two-year period of 1975 and 1976, they will have to set aside \$9.30 for pollution control equipment.

With this kind of pressure on profits, you can see the difficulty of trying to provide a share of that \$45 billion needed to provide jobs for the 600,000 young people who will enter the Illinois job market in the next ten years.

One of the techniques widely used by state and local governments is that of special

PAUL H. KELLY

tax concessions to new industry to bring jobs into a state or municipality.

In recent years, our neighboring states of Michigan and Wisconsin have overhauled their entire tax structure as it affects corporations in an effort to stem the tide of jobs rushing away.

It seems incongruous that we in Illinois should be considering resolutions that would make it possible to increase the tax burden that can be kept on industry.

Capital comes from profits. It is used to expand facilities and create new jobs.

It can and must be used to solve energy problems, clean up the environment, and provide a safe work place. If it is taxed away, it can do none of these things.

Our present constitutional safeguard limiting corporate income taxes by the 8 to 5 ratio provides a measure of protection. Let's keep it that way.

Future Secretaries hear panel

At a meeting of the Granite City High School Future Secretaries Association held at Granite High-North last week, the members heard from a judge, a court reporter and a business man.

Mrs. Jeannie Kittel, a freelance court reporter, told of her typical working day, explaining that to be a good court reporter required a speed of about 225 w.p.m. After describing her work, and answering many questions from the audience, she passed around tapes showing the characters put forth by a stenotype machine. Among the questions asked were starting salaries, where such training can be obtained, if traveling is part of a job such as this, and if certain types of clothes are not permitted on the

job. Judge Horace Calvo spoke of court reporters on a local level. He also explained the tests to be passed in order to qualify for a certain salary level.

William Hecht, the manager of five Kentucky Colonel restaurants, spoke on the working conditions in an office such as his, including type of dress and work. His secretary at this time is the mother of an FSA member at the local school. He stressed the importance of having a goal in life, and complimented the members on their Code of Ethics.

President Nancy Bezan presided at the meeting, which opened with the recitation of the Code of Ethics and roll call. Minutes of the last meeting were read by Kathy Jones, and the treasurer's report was read. Discussed was a visit to the Madison County Sheltered Care Home in Edwardsville sometime before Easter, and about 30 members indicated they would like to participate.

Abigail Adams Circle topic

Mrs. Josephine Ramsey, leader of Love Circle of Niedringhaus United Methodist Church, opened the meeting on Thursday with a poem entitled, "Spring Time Prayer" by Helen Steiner Rice.

The meeting was held at the church and Mrs. June Karamoff presented devotions on the life of Abigail Adams, in keeping with the Bicentennial year. She used Proverbs 31 for the scripture lesson.

Mrs. Ramsey announced the next general meeting of the United Methodist Women will be at 7:30 p.m. April 12 at Wesley Hall. An Easter Prayer dinner will be served and Dr. Thomas Layloff, director of the National Center of Drug Analysis for the Food and Drug Administration, St. Louis, and active in the Boy Scout movement, will be the guest speaker. Hostesses for the session were Mrs. Ramsey and Mrs. Villa Martin. Others present were Mrs. Paula Smith, Mrs. Olga Tierney, Mrs. Clara Sotiroff and Mrs. Ella Ray Smith.

The April Circle meeting will be in the church parlor with Mrs. Sotiroff as hostess.

Tigers eliminate Steelers in North regional championship game

BATTLE NEAR BASKET by GCHS North's Rodney Wortham (42) and Edwardsville's Gary Riechmann (50). At left is Mike Hammonds (12) of the visiting Tiger basketball team. The picture was taken during the championship game of the North High School regional tournament Friday night, won by the Tigers, 79-68.

Trojans unveil fast mile relay entrants

Madison High School's track team, coached by Charles Steptoe, placed third in a pre-season indoor meet at Edwardsville Thursday, earning 16½ points on two first-place finishes and a second. The hosts won with 63 points and O'Fallon was second with 39½.

Trojan Mike Terrell won the 40-yard high hurdles event with a time of 5.8 seconds, and placed second in the 440 run in 57.4 seconds.

Madison's freshman-sophomore relay squad won, finishing the mile event in 4:07. The squad is composed of Marcus White, Darryl Hampton, Ernest Davenport and Michael Dandridge.

The Trojans' 1976 regular season opens March 19 at home against Dupu.

BOOSTERS TO ELECT
Election of officers will be the main item of business at the Granite City High School North Boosters meeting at 8 p.m. Thursday in the school cafeteria. Mrs. Geri Gavlick is president.

ENTRY DENIED
On Aug. 19, 1961, on returning from France, Mary Queen of Scots was denied entry through England.

AA regional, A sectional meets

Four area Class AA high schools (751 or more enrollment) are still alive in the chase for the 1975-76 Illinois High School Association state title — Belleville West, East St. Louis, Alton and Edwardsville — but only one of the four will remain following this week's sectional competition at Collinsville.

West, with a 20-6 record, plays East St. Louis, 13-10, to open the Collinsville sectional tomorrow. On Wednesday, Alton, 21-4, meets Edwardsville, 19-12. The championship contest is slated for Friday.

In Class A action, Lebanon, which defeated Madison in sectional competition, will meet Lawrenceville tomorrow in a super-sectional battle at Charleston.

The Steelers of GCHS North played well here Friday night in their bid for the Class AA regional basketball championship, but a fourth-quarter free throw spurge by the Edwardsville Tigers spelled doom for North High, eliminating the local club from competition until next season with a 13-12 record. Edwardsville won 79-68.

The lead changed hands frequently in the opening period. The Tigers moved ahead 19-17 in the closing seconds but Tim Luehmann drew a foul while shooting. He was awarded an additional shot on a technical call against the Tigers.

The Steeler cager put all three charity throws through the net for a 20-19 North lead going into the second period. Charity tosses gave North a temporary edge in second-quarter action. A free throw by Rodney Wortham tied the game at 29-29, and later three tosses by Larry Schleicher put the Steelers on top 36-35.

But a Tiger basket at the buzzer gave the visitors a 37-36 halftime lead.

North High made 10 of 13 charity tosses in the first half of play to Edwardsville's three of eight, a statistic that nearly reversed itself in the final period.

Steeler Tom Schocker, shooting from the sideline, got the first basket of the second half, but three in a row by Edwardsville put the Tigers up by five points, 43-38.

A field goal from the top of the key by Luehmann and an inside turnaround jumper by Rick Spurlock, who was playing with four fouls, closed the gap to one point, 45-42, with 4:28 left in the third quarter.

A Tiger rally on three field goals and three free throws enabled Edwardsville to open up a nine-point lead, 52-43, with 1:51 remaining in the period. Spurlock went to the bench with five fouls, taking away the Steeler's inside scoring threat and forcing North to attempt longer shots.

Two baskets by Luehmann, one by Jerry Barnett and a charity toss by Schleicher made the score 56-50 at the conclusion of the quarter.

Edwardsville controlled the final period tipoff and quickly went up by eight, 58-50. The score which stood for nearly three minutes as both sides failed to find the mark in scoring attempts.

Luehmann put six points on the scoreboard for North while Edwardsville added a basket for a 60-56 score with 4:45 remaining.

The Tigers added two baskets and a foul shot to lead 65-56 with 3:01 left to play.

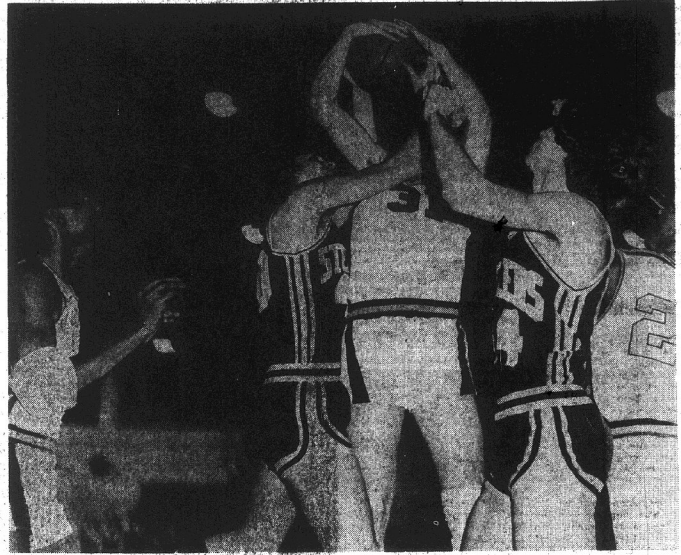

The Tigers called a time out with three minutes showing on the clock when Wortham was fouled and hit back-to-back free throws to make it 66-58.

Luehmann and Schleicher connected with 30-footers, cutting the Tigers margin to 68-66.

Three foul shots and a field goal gave the Tigers a 70-62 advantage with 2:18 remaining.

After two free throws and a basket by Steeler Barnett, Edwardsville stretched its lead to 11 points, 76-65, with 53 seconds to play on a basket and five charity tosses.

Wortham gained North's final two points with a field goal

STEELER DEFENSE. North players Tom Schocker (40) and Jerry Barnett (44) duel for possession of the

basketball with Brad Drda (31) of Edwardsville in the title game of the GCHS North regional tournament Friday night.

Baker wins in 30-team meet

GCHS North and GCHS South gave some of their more experienced track athletes pre-season experience Saturday in a 30-school meet at Eastern Illinois University at Charleston.

Steeler Mike Baker, a sophomore, won an open two-mile event with a time of nine minutes and 32 seconds, and then placed fifth in the open-mile race with a time of 4:30.

Seniors David Kwiatkowski and Fred Clay also competed along with Dale Page. Kwiatkowski ran the 60-yard high hurdles in 7.8 seconds. Clay ran the 90-yard dash in 9.8 seconds and then recorded a 40-3 triple jump. Page vaulted 12 feet and six inches.

GCHS South had two track-

men competing. Joe Ward placed third in the 440 dash with a time of 51.9 seconds, and Doug Hartman was fourth at 52.4 in the shot put.

Both high schools will begin regular season competition March 22.

Tournaments for ice hockey teams

The Granite City Amateur Hockey Association is holding its fourth annual park district ice hockey tournament on March 20 and 21 in the "A" Division and March 23, 24, 25 and 26 in the "B" Division.

Park teams from Niles, Pekin, Peoria and Decatur are invited to the "A" tournament. Boys from the ages of five to 16 years will be participating.

Opening round games will be played Saturday, March 20, starting at 7 a.m. with the mile division and ending with the midgets at 9:45 p.m. Consolation games will be played on Sunday morning, March 21, starting at 7 a.m., followed by championship games in the afternoon.

Trophies, plaques and patches will be awarded to the winners. Parents of the hockey association are seeking boosters to defray the cost.

The "B" tournament will start at 5:30 p.m. on Tuesday, March 23, with games at 6:45, 8 and 9:15 every night. On Thursday, March 25, the consolation bracket will be played; Friday, March 26, will bring the championship games. A team from Springfield, Ill., and Missouri teams from Clayton, Creve Coeur, Chesterfield, St. Charles, and Meramac will be in the "B" meet.

Tennis Cougars, Rusick victorious

An upstart tennis team from Southern Illinois University at Edwardsville swept through the host Kansas University squad, 7-2, and demolished a good Drake University team, 4-0, at Lawrence, Kan., in a big day of court play for the young charges of coach Kent DeMars, now in his second campaign as Cougar mentor.

The victories ran the Cougar netball record to 5-1, their only loss being a 6-3 defeat by the Missouri University Tigers three weeks ago. Mizuo, along with Oklahoma State and Kansas, is a co-favorite to win the Big 8 Conference championship.

Drake is favored to win the Missouri Valley Conference tennis title. In the Drake matches, Granite City's Bill Rusick, a slender 6-4 freshman, rolled over Frank Sachs, 6-4, 6-1. Against Kansas, Rusick topped Jeff Thomas 6-4, 6-2.

If you're thinking of selling, the people to see are at Royce Realty, 2862 Madison Ave., 876-3050.

How to fly your kite safely

Kite flying is fun.

But it can be dangerous. It needn't be if you follow these simple safety rules:

1. Use wood and paper in your kite . . . not wire or metal.
2. Use dry string . . . not wire or anything metallic.
3. Fly your kite on days when there is no rain.
4. Fly your kite FAR FROM ELECTRIC POWER LINES . . . and remember these rules when flying your model airplane too.
5. Avoid busy streets and highways while flying your kite.
6. Keep away from fallen wires.
7. Fly your kite far from TV, FM and CB antennas.
8. Call us if your kite gets snagged in a power line. Do not pull the string or climb power poles.

O'Fallon downs GC 5-4 in ice hockey tourney

O'Fallon won a tourney championship game Friday on the ice at Wilson Park, defeating Granite City 5-4 in the Madisonville, Calif. Junior Ice Hockey League post-season playoffs.

O'Fallon was behind 3-0 going into the second period but scored four goals in a row. The action stayed close down to the last minute, when a fifth goal was scored by O'Fallon.

Joe Juncos scored, with 39 seconds left on the clock, Granite City's fourth goal.

Scoring earlier for GC were Rich Foy, Kenny Sebel and Paul Solberg.

GC ended 1975-76 with a 15-4 win-loss record.

Next years Granite City will have about half the team returning. It will lose five players due to the age rule and several others going away to college.

GAS EXPLOSION

A gas explosion at 7:40 a.m. Saturday at the residence of Mary Delaney, 2015 W. 20th St., blew out the front door glass and a window on the east side of the house and appeared to separate the ceiling and a wall. Firemen were at the scene for 15 minutes and estimated the damage at \$5,000. Cause of the explosion was undetermined.

News notes

Unemployment dropped nationally from 7.8 per cent in January to 7.4 per cent in February; the peak of 8.5 per cent was in May 1975, and the December 1975 level was 7.5 per cent. For Madisonville-Maryland, the rate was 10.4 per cent (11.1 per cent in West of Ohio) in January to 9.8 per cent in February, and for the St. Louis metropolitan area the jobless decline was from 8 per cent to 8.8 per cent.

Illinois attorney of state Michael J. Howlett is alleged to have committed from Springfield to his summer home in Indiana on state-owned airplane, all but 20 times at state cost, from June 1974 to November 1975; since then, he has chartered his own plane. Howlett voiced surprise that certain trips had not been billed to him, but contended that they had been savings to the state compared to commercial flights: "It would take me an extra hour and a half to get to work if I drove to Chicago to get the plane; I live there (in Springfield) quite a bit of the time."

Having campaigned at many bowling alleys, including the Quad-City area, Gov. Dan Walker tried north side Chicago lanes Thursday night but was forced to leave by the manager, who cited a policy against campaigning within the establishment. Rich Sygel said the governor asked what affiliation Sygel had with Mayor Richard Daley and was told, "None." The manager alleged that Gov. Walker then commandeered a microphone to address the patrons but was booed: "I don't think he won any popularity contest tonight."

Deaths linked to influenza and pneumonia were at epidemic levels in nearly every region of the U.S. for the first time this year in late February, the National Center for Disease Control said Friday.

Lack of classroom discipline is creating a crisis, the Rev. Jesse Jackson of Chicago said Friday while in St. Louis for a world food policy conference. He asserted, "Principals must stop using school busses, uniforms and eaters as excuses to emerge as the moral authority to exact discipline from parents, teachers and students."

Although the temperature dropped to 22 degrees today, Sunday, March 7, the sun and fruit trees in this region is believed to have been slight. Many gardeners have been ahead of schedule due to relatively warm February weather.

Howard R. Fricke resigned Friday as chairman of the Illinois Bicentennial Commission. He will become president of a Maryland insurance firm.

Former St. Louis County Supervisor Lawrence K. Ross was appointed Friday as new president of the Federal Reserve Bank of St. Louis beginning March 22. Darryl R. Francis retired from the presidency in February.

Pres. Gerald Ford said in Illinois Friday that he will oppose to exempt all states up to \$150,000 from federal estate tax. The current exemption is \$60,000.

Policeman hurt

Daniel Barbosa, 28, a Fairmont City policeman was injured when the left front tire of his car had a blowout on Route 111 four-tenths of a mile south of State Aid Route 28 and the car skidded off the road at 9:10 p.m. Friday.

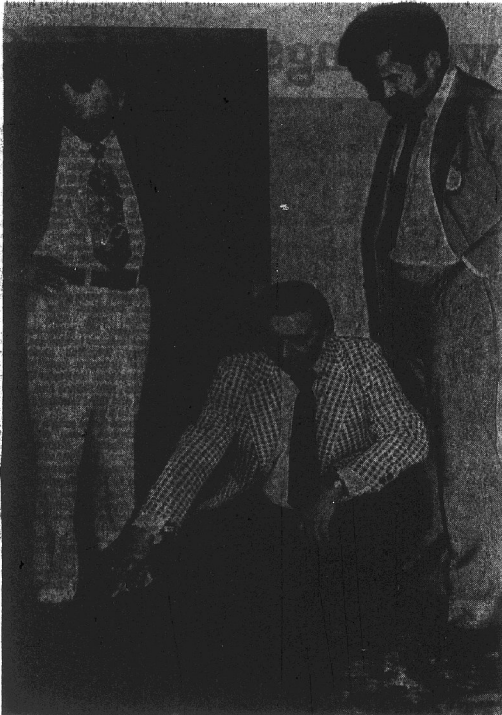

Madison County sheriff's deputies said Barbosa's car left 200 feet of skid marks before coming to a stop. He was brought by ambulance to the Elizabeth Hospital where he was treated for a head injury and was released.

SUCCESSFUL DANCE AND JOSEPH GONZALEZ FUND

The annual Joseph Gonzalez Scholarship Fund dance, held Saturday evening at the Mexican Consulate in Granite City High School South, who was fatally injured in an auto accident in June 1970.

Rodriguez, 28-year-old, began the fund was established in memory of Joseph Gonzalez, a former student and counselor at Granite City High School South, who was fatally injured in an auto accident in June 1970.

On Aug. 18, 1970, Virginia Scott first born to Robert and N.C. Scott died here in America of English pneumonia.

Circle hears Mrs. Evans

"The Nightingale of Psalms" by the Rev. Billy Graham and the "Greatest of America" by Norman Vincent Peale provided the topic of devotions given by Mrs. Eva Evans at an Honor Circle meeting held at Niedringhaus United Methodist Church.

Circle members met in the morning for a quilting session followed by a noon dessert luncheon served by Mrs. Edith Eberhart.

Vice-chairman Mrs. Augusta Pender was in charge of the meeting. She announced 32 sick calls were made during the previous month and also reviewed the executive board meeting.

The next general meeting of the United Methodist Women will be a pot luck dinner in April, it was reported.

Mrs. Mildred Cundiff will host the next Circle meeting. Others present were Mrs. Beulah Fox, Mrs. Winifred Reimers, Mrs. Clara Wadlow and Mrs. Pearl Campbell.

Eta Chapter plans sale

Eta Chapter of Phi Tau Omega Sorority made plans for an April 3 rummage sale at the VFW Hall, 204 Washington Ave., beginning at 8 a.m., during a business meeting held at the Elks Lodge.

President Mrs. Lorraine Butler presided and announced the sorority convention will be held in Chicago during June.

Members also approved a suggestion to purchase a typewriter for the chapter.

Mrs. Butler appointed Eunice Hatcher, Shirley Morgan, Dolores Sheridan and Georgiana Van Buskirk to serve as hostesses for the next social meeting.

Prizes for the evening were won by Mrs. Morgan and Miss Hilda Schroeder.

Others attending were Dorothy Brewster, Mary Hassler, Eunice Hatcher, Lois Hodge, Betty Krus, Dolores Sheridan, Evelyn Todd, Georgiana Van Buskirk and Mary Evalyne Yencio.

Barracks 34 plans events

A noon pot luck dinner preceded the monthly meeting of Madison Barracks 34 and Auxiliary of Veterans of World War I, attended by 35 members at the VFW Hall last week.

The separate meetings were conducted by Commander John Winklemeyer and President Tecla Hoelt.

Mrs. Kathryn Fellers, past national president, gave a report on a meeting held in Washington, D.C.

Plans were announced for a dinner honoring the department president in Chicago on April 11 and the 6th regional meeting in Grand Rapids, Mich., on April 4. The Region consists of Illinois, Indiana, Kentucky, Tennessee, Ohio and Michigan.

The next meeting of the local organizations will be on April 6 when election of officers will be held.

Flower craft meeting topic

Mrs. Eleanor Patterson gave a demonstration on making artificial flowers from egg cartons at last week's meeting of the Friendly Agers Club at Second Baptist Church.

The business meeting was opened with prayer by Mrs. Minnie Cavins and the president, Mrs. Mina Duggins, welcomed 22 members and four guests.

Reports were given by Mrs. Lena Stephens, Mrs. Mildred Garin and Mrs. Ruby Mayberry. The group also sent three dinners to shut-ins.

Mrs. Duggins announced blood pressure tests will be conducted at the Senior Citizens Center, 1918 Edison Ave., on the first and third Monday from 10 a.m. to 2 p.m.

Harold Garin sang a solo and Mesdames Lena Stephens, Alice Hoffman, Mildred Garin and Lena Bonheur also sang a selection, accompanied at the piano by Mrs. Duggins.

The Rev. Eugene Dutton gave the devotions from 1 John Chapter 3 and closed the session with prayer.

After lunch, a handicraft project was held during the afternoon.

The next meeting will be March 23 at the church.

MRS. RANDALL MORGAN, the former Miss Patricia G. York, who was married at Tri-City Park Tabernacle. She is a daughter of Mr. and Mrs. Troy York, 2589 Stratford Lane.

Pack 28 hosts annual banquet

Skits depicting historical events of the United States in keeping with the Bicentennial year were performed by Cub Scouts of Pack 28, sponsored by Parkview School, at its annual blue and gold banquet.

Cubmaster James Rush spoke on the true meaning of the banquet followed by a magic show presented by Scott Baenger, known as Scott the Magician.

All table decorations were in red, white and blue and floral centerpieces were donated by Herring Flowers and Floral Originals.

After the entertainment the cubmaster announced the next event will be a kite-flying contest on March 28 at the school, with each entrant creating his own kite.

Patricia York married in candlelight setting

Altar bouquets of spring blossoms and aisle candelabra holding burning tapers created the setting for the wedding on Feb. 14, at Tri-City Park Tabernacle, of Miss Patricia G. York and Randall E. Morgan.

The Rev. John Polizzi officiated at the double ring ceremony at 6 o'clock in the evening.

Organist Don Stratton accompanied and sang with soloist, Mrs. Judy Wilkins. Wedding selections included "More," "Sunrise, Sunset," "Whither Thou Goest" and "Eternal Life."

Parents of the bride, Mr. and Mrs. Troy York, reside at 2589 Stratford Lane. The groom is a son of Mrs. Patsy Callahan, 2038 Thirteenth St., and William Morgan.

A white organza gown, accented with French Venice lace on the high cameo neckline, bodice and long sleeves, was worn by the bride.

The A-line silhouette skirt, encircled with a ruffled flounce, fell gracefully from the Empire waist to form a cathedral train.

Her lace bordered melody-length veil was held in place with a lace headpiece and she carried a bouquet of red roses, pink carnations and baby's breath, festooned with red velvet ribbons.

Attendants Miss Enid Cox, Miss Cheryl York, a sister of the bride, Miss Lila Strubberg, Mrs. Carla Rushing, Miss Robbie Creek and Miss Betty York, a cousin of the bride, were dressed alike.

Their sleeveless gowns were fashioned in pink knit and complemented by long sleeve burgundy bolero jackets with ruffles at the neckline and on the sleeves.

Each held one long stemmed pink rose.

Holly Miller served as the flower girl. She was dressed in a white lace over pink satin frock with long sleeves and she carried a white basket filled with rose petals.

John Reagan was the ringbearer.

The groom chose Tom Ostresh as his best man. Groomsmen were Voyle Rushing, John Holmes, Dave Belmer, Tony Stajduhar and Marshall Reybourn, an uncle of the bride.

Escorting the guests to their seats were Mike Ostresh and Tony Johnson.

Candlelighters were Misses Cindy Hochuli and Debbie Rushing.

Both the rehearsal dinner and reception were hosted in the church fellowship hall. Mrs. Diane Holz presided over the guest book.

Mrs. York, mother of the bride, appeared in a long blue dress made with tapered sleeves and a high roll collar. She wore a corsage of red roses.

The groom's mother, Mrs. Callahan, selected a pink knit formal gown with lace sleeves and a high neckline, worn with a corsage of pink roses.

Both young guests graduated from Granite City High School. The bride is employed at Edison Brothers Stores, Inc. Her husband is a baker at the Busy Bee Baker in Madison.

They are now residing in Granite City.

Out-of-town guests were Mr. and Mrs. Norman Reybourn and children, Chad and Kimberly, and Marshall Reybourn, all of Newago, Mich.

Seniors plan future events

Edgar Paddock, president of the Granite City Council of Senior Citizens, gave the pledge to the flag and Lord's Prayer at the center last week.

It was announced that Mrs. Eleanor Patterson, president of the YMCA Club, will be at the center each Friday at 2 p.m. to conduct craft classes.

The Rules of the Road classes will be conducted April 7, 8 and 9 at 7 p.m. by Oscar Ash, Delbert McKusick and Mr. Paddock.

Those planning on taking the course are requested to call the center at 877-4373 or 876-7901 to register.

A registered nurse will take blood pressure tests from 10 a.m. to 12 noon the first and third Monday of each month, it was reported.

Orders for the budget food program will be taken Monday through Thursday of each week at the center, the president said.

Jerry Lipchik, 5, marks birthday

Jerry Lipchik's fifth birthday was celebrated with a patio party given by his parents, Mr. and Mrs. Gerald J. Lipchik, at their home, 3029 Maryville Road, last week.

The decorations were carried out in a circus theme highlighted with a drum decorated cake made by the honoree's aunt, Marilyn Schaffner.

Those attending were Jason and Donya Parrish, Mark and Lisa Bellovich, Chris Morris, Jimmie Jones, Matt Pascoe, Jason West, David Oberle, Rhonda Vest, Patty, Bobby and Mike Lipchik, Olivia Parrish and the honoree's grandparents, Mr. and Mrs. James M. Lipchik.

After games were played, refreshments were served and each youngster attending received a favor. The guest of honor received many gifts.

Hair stylists attend show

"Spirit of Beauty '76" was the title of the three-day 53rd Midwest beauty trade show conducted last week at the Conrad Hilton in Chicago.

Joseph Stemmer, owner and stylist director of Joseph's Hair Fashion, and Peggy Thomason, manager of Joseph's School of Hair Fashion, attended the show.

The instructors participated in group demonstration clinics, workshops and management forums. This year's fashions were illustrated by world-famous artists such as Robert Aubin, Leo Passage and Emma Rodriguez. The volume and emphasis of the year's styles will be at the back and sides of the head. Styles are light and airy with deep gentle waves to frame the face, Stemmer reports.

Democratic Club to meet Wednesday

The Granite City Democratic Club will meet at 7:30 p.m. on Wednesday at the Knights of Columbus Hall, was announced by the president Nick Pettilio.

The president urges all members and prospective members to attend the session which will be the last gathering prior to the primary election on March 16.

Refreshments will be served after the session.

Weddings solemnized in candlelight settings

MR. AND MRS. STEVEN W. EASLER, whose wedding was solemnized at St. John Lutheran Church. Formerly Miss Bette Jane DeVine, the bride is a daughter of Mr. and Mrs. Michael J. DeVine, 3244 Rader Ave.

Laurel Williams becomes Mrs. Jeffrey D. Miller

An out-of-town wedding of interest here was that of Miss Laurel Ann Williams, a daughter of Mr. and Mrs. Howard Williams of Tustin, Calif., and Marine Lance Corporal Jeffrey Dale Miller, son of Mr. and Mrs. Charles McLean, 3208 Wayne Ave., taking place Feb. 7 at the Golden Circle Wedding Chapel in Tustin.

The Rev. Harold F. Leestma officiated at the double ring ceremony at 11:30 in the morning before an altar banked with white gladioli and yellow mums with greenery. The bride, wearing a long Empire gown of organza, lavishly appliqued with delicate lace.

The veil neckline was traced with scalloped lace. The lace was repeated on the cuffs of the long sheer sleeves and formed a double panel on the skirt front.

Her cathedral-length veil was bordered with a wide band of lace and she held a bouquet of white roses and carnations. Miss Kristine Dickie served as maid of honor and Dave Leland attended the groom as best man.

After the ceremony a reception was held at the Tustin Meadows Clubhouse. The bride attended University High School and Santa Ana College. She is employed as a kindergarten aide and at the Straw Hat Pizza Palace. Her husband was graduated from Granite City High School.

The newly married couple is now residing in Hawaii. Out-of-town guests at the wedding included Mrs. Linda McLean, mother of the groom; and Mrs. Lovie Williams, the groom's grandmother, both of Granite City; and Mrs. Ruth Watson of El Cajon, Calif., an aunt of the groom.

MR. AND MRS. JEFFREY DALE MILLER. They were married at the Golden Circle Wedding Chapel, Tustin, Calif. The bride is the former Laurel Ann Williams, a daughter of Mr. and Mrs. Howard Williams of Tustin.

MR. AND MRS. MICHAEL P. KOENIG. They were united in marriage at Sacred Heart Roman Catholic Church. Formerly Miss Connie Marie Zarlingo, the bride is a daughter of Mr. and Mrs. S. Paul Zarlingo, 2850 Idaho St.

Connie Zarlingo weds Michial Paul Koenig

The wedding of Miss Connie Marie Zarlingo and Michial Paul Koenig was solemnized by a candlelight service on Feb. 14 at Sacred Heart Roman Catholic Church.

Father James P. Hill performed the double ring ceremony at 2 o'clock in the afternoon. Parents of the bride are Mr. and Mrs. S. Paul Zarlingo, 2850 Idaho St. The groom is a son of Mr. and Mrs. Frank Koenig, 3208 Fleet Lane, St. Charles, Mo.

Organist Mrs. Margaret Cravshaw accompanied the soloist, John Stanfill. Nuptial selections included "A Time For Us," "Wedding Prayer," "Sunrise, Sunset," "Prayer for a Perfect Life," "Oh Lord, I Am Not Worthy" and "On This Day, Oh Beautiful Mother."

Escorted down the white carpeted aisle by her father, the former Miss Zarlingo wore a long ivory sate gown with the Empire silhouette fashioned with a sheer net yoke, traced with floral Venice lace motifs, and a high neckline of Cluny lace.

Cluny lace and small flowers attached to a satin ribbon encircled the waist, and the long sheer sleeves terminated at the wrists with a tiny ruffle. Bands of lace enhanced the skirt which was created with a deep flounce, extending into a full chapel train.

A lace camelot headpiece etched with pearls held in place her mantilla veil, edged with Cluny lace. She held a bouquet of ivory roses with stephanotis, baby's breath and greenery.

Maid of honor Miss Cathy Zarlingo, a sister of the bride, and bridesmaids Miss Debbie Salich, Miss Irene Hauptmann and Mrs. Pam Bagl were identical gowns of ruby quana with long cape sleeves and matching bouquets.

Each attendant carried a colonial bouquet of pink carnations, white pom poms and baby's breath.

Christy Voegel, a cousin of the bride, served as flower girl. She wore a red and white lace frock and held a small plateau basket of flower petals.

Terry Zarlingo, a brother of the bride, was the ringbearer. The groom selected Ray Tunniff as his best man.

Terry, Tom and Tim Zarlingo, brothers of the bride, David Koenig, the groom's brother, Doug Hommer and John Moore completed the corps of groomsmen and ushers.

An evening reception was hosted at the Polish Hall in Madison with Misses Karen Voegel and Debbie Bette, cousins of the bride, assisting. Miss Sandy Zarlingo, a cousin of the bride, and Miss Lori Durer served as candlelighters and Bobby Voegel and Mike Zarlingo, also cousins of the bride, assisted at the mass.

The groom's mother, Mrs. Koenig, was attired in a formal-length pink gown with long chiffon sleeves, complemented with gold accessories. Both wore orchid corsages.

A graduate of Granite City High School, the bride is now a senior student at Southern Illinois University at Edwardsville. She works part-time at Sits-Baer and Fuller Store.

The groom is a sergeant, serving with the U. S. Army Military Police. They are now residing in Granite City.

EXPERT APPRAISING MORRIS REALTY CO. 876-4400

Vicki Lynn Leggett and Daniel Ferguson are wed

Miss Vicki Lynn Leggett, a daughter of Mr. and Mrs. James Leggett, 1508 Lindell Blvd., became the bride of Daniel S. Ferguson, a son of Mrs. Marjorie Shinvill, 34257 Fountain, St. Louis, on Feb. 14 at Central Christian Church.

Candelabra holding burning red tapers and trailing green ivy provided the setting for the 6 p.m. double ring service, performed by the Rev. Dennis Rutledge.

Miss Tadra Hogan presided at the organ and played "First Time Ever I Saw Your Face," "And I Love You So" and The Lord's Prayer for soloist Mrs. Lois Billrey.

Escorted to the altar by her father, the bride wore a full-length white organza gown, fashioned with a high neckline, accented with red ribbon rosettes which were repeated on the cuffs of the sheer bishop sleeves.

A red ribbon marked the waistline, enhancing the A-line style skirt. Her mantilla veil, edged with scalloped lace, was held in place with a headpiece, appliqued with red hearts. She carried a bouquet of white carnations centered with a cluster of red roses.

Maid of honor Miss Cindy Rodgers chose a long red and white dotted voile gown designed with a high neckline, Empire waist and short, flared sleeves. She carried a colonial bouquet of red carnations, encircling a cluster of white roses.

The flower girl, Jaimee

Leggett, a sister of the bride, was dressed in a long red and white voile Empire dress complemented with a matching hat. She held a basket of red and white carnation petals.

Kurt Luehmann, a cousin of the groom, served as the ringbearer.

Gordon Tucker attended the groom as best man. Mark Gages and Tom Gray, both cousins of the groom, seated the guests.

Candlelighters were Tammy Leggett, a sister of the bride, and Charles Luehmann, the groom's cousin. Miss Lorraine Luehmann, another cousin of the groom, attended the guest book at a reception held in the church fellowship hall after the service.

The rehearsal dinner was hosted at the Collinsville Holiday Inn. For her daughter's wedding, Mrs. Leggett selected a floor-length blue knit dress with gold accessories. The groom's mother, Mrs. Shinvill, appeared in a long red knit gown. Both wore white orchid corsages.

The bride graduated in 1975 from Granite City High School. Her husband is a 1973 graduate of Churchill High School. They are now residing in Westland, Mich.

Out-of-town guests included Mr. and Mrs. Bernard Pine, New York, N.Y.; Mr. and Mrs. Edward Ferguson, Boston, Mass.; Mr. and Mrs. Robert Comire and sons, Plymouth, Mich.; Mrs. Virginia Goyer, Bicknell, Ind.; and Miss Bev Goyer, Evansville, Ind.

MARRIED. Mr. and Mrs. Daniel S. Ferguson, who were married at Central Christian Church. Formerly Vicki Lynn Leggett, the bride is a daughter of Mr. and Mrs. James Leggett, 1508 Lindell Blvd.

Easler-DeVine wedding at St. John Lutheran

St. John Lutheran Church was the scene of the candlelight wedding of Miss Bette Jane DeVine, a daughter of Mr. and Mrs. Michael J. DeVine, 3244 Rader Ave., and Steven Wayne Easler, son of Mr. and Mrs. Thomas Easler, 1924 Joy Ave., on Feb. 6.

Bouquets of white gladioli and mums decorated the church, with swags of bows and white ribbons on the altar rail, for the 7 p.m. double ring ceremony, performed by the Rev. Samuel Boda.

Nuptial selections included "The Wedding Song" and The Lord's Prayer. For the wedding, the former Miss DeVine selected a long ivory sate gown. The groom wore a dark suit with a white shirt and tie.

The bride wore a long, full lace flounce bordered the hemline of the semi-full skirt which fell softly into a full sweep train. She wore a lace camelot headpiece to secure her fingertip veil, bordered with lace. Her bouquet was an arrangement of ivory rosebuds, stephanotis and baby's breath, set in a garland of lace.

Miss Lisa Gendron, maid of honor, wore a flowing lace-trimmed gown of persimmon crepe made with long sleeves, tightly cuffed at the wrists, and featuring a detachable hood, trimmed in Cluny lace.

Bridesmaids Mrs. Carol Mielke, Mrs. Pamela Dellamano and Miss Christie DeVine, the latter two sisters of the bride, chose gowns identical in style to that worn by the honor attendant, only in bit-tersweet crepe.

Each girl carried a colonial bouquet of orange carnations, baby's breath, dried flowers and greenery, fashioned with ivory ribbons.

The flower girl, Rebecca DeVine, a niece of the bride, was dressed in a persimmon colored frock and held a miniature bouquet.

Attending the groom as best man was Donnie Williams. Gary Mielke, Larry Dellamano and Ron Kinworth, brothers-in-law of the couple, Mike Williams and Steve Brewer completed the corps of groomsmen and ushers.

Guests were received by the newly married couple at a reception at the VFW Hall. Miss Debbie Herman presided over the guest book.

Mr. and Mrs. Easler, parents of the groom, hosted a dinner at the restaurant following the church rehearsal.

Mother of the bride, Mrs. DeVine, was attired in a pale green gown accented with crystal and pearl beading at the neckline. The groom's mother, Mrs. Easler, appeared in a long beige gown complemented with a matching jacket and gold accessories. Each mother wore a camellia orchid to match her gown.

The newweds are residing in Granite City. The bride is employed as secretary for Cohen Foods Inc., and her husband works as a plasterer for the H. C. Fournier Plastering Co., Belleville. Both graduated from Granite City High School.

SIUE President Rendleman hailed for his energy, skill, vision

The death Thursday of President John S. Rendleman of Southern Illinois University at Edwardsville at St. Joseph's Hospital in Highland, had a profound impact on the Quad-Cities, where he was well known.

A victim of cancer, the 46-year-old educator had been chief administrator of the SIUE campus more than seven years. He was generally regarded as the driving force behind the explosive 10-year rise of SIUE to its position as the largest university in the St. Louis bi-state area, with more than 12,000 students and many nationally recognized academic programs.

His length of service made him the senior public university president currently holding office in Illinois. In more than seven months, he never gave up and served vigorously until his

death, attending many public and organizational meetings despite the weakness associated with his illness.

The president's body was taken to St. Joseph's Hospital with the ashes being buried in Murphysboro, beside the remains of his mother, Jean Rendleman, who died in 1968.

SIUE Vice-President and Provost Andrew J. Kochman announced that classes will be cancelled all day Tuesday, and a university memorial service will be held at 2:30 p.m. tomorrow in Meridian Hall of the University Center. Participants will include the

University Concert Chorus and Vice-President Kochman, who will deliver a eulogy.

Dr. Kochman directed the lowering of the United States and Illinois flags on campus to

half-staff for a seven-day period as a public display of respect for the university. During his tenure, the university's administration, buildings and campus were completely overhauled under construction at a total cost of more than \$30 million.

They include: the University Center, the General Office Building, the Supporting Services Building, an addition to the Science and Technology Building, Tower Lake student housing complex and the WBIE-FM transmitter building.

Currently under construction, scheduled for completion this year, are two classroom buildings costing a total of \$13.4 million.

In a time when many college and university presidents came under fire from both students and faculty, Dr. Rendleman gained the respect and support of the vast majority of the SIUE community, associates recall.

During debate over his role as the executor of the estate of Paul Powell, Illinois secretary of state, thousands of students, faculty and staff members signed a resolution of support for his "integrity and leadership."

In many ways, Dr. Rendleman was ahead of his time in dealing with major social problems that have affected the United States and college campuses.

Shortly after becoming chancellor, he gave strong personal support to opening up more opportunities for employment of black faculty members and to enrollment of more black students, especially from economically depressed areas.

By 1973, the SIUE faculty and

staff included 11 per cent from racial minorities. At that time, the percentage of blacks on the faculty was among the highest in the United States.

The SIUE president also led the way in a campus affirmative action program to open up more leadership positions to women and minorities.

Dr. Rendleman supported the formation of a University Senate which serves as an advisory body dealing with all types of university matters. He has actively backed the work of constituency groups representing students, faculty, civil service and non-academic employees.

When student reaction to the Vietnam conflict and the Kent State shootings forced many universities to close early, he declared a temporary campus moratorium on classes and with the support of the University Senate, organized seminars to discuss the social issues involved. Instead of

rioting, SIUE students showed their concern by attending the seminars and sharing their views with faculty members.

His administration was characterized by openness, with faculty, students and other administrators given opportunities for easy access to discuss programs and problems with the president. He also was easily accessible to the public.

The SIUE president was a strong voice in the battle against increasing tuition costs at state universities. Any increase, he felt, diminished the opportunity many economically deprived students in the metropolitan area would have to gain a college education.

Dr. Rendleman was active outside the university. He was the author of more than 100 legislative bills and of the state's program for reorganizing the civil administrative code.

He also served as a state special assistant attorney general, as special counsel to the Illinois Budgetary Commission and as a member of a commission on reorganization of the Illinois General Assembly.

Dr. Rendleman's civic posts included membership in numerous St. Louis and Southern Illinois business, education and cultural advancement groups.

He served on the board of trustees of McKendree College, Lebanon, the governing board of the Illinois Education on Economic Education, the board of directors of the First Granite City National Bank. He was honorary chairman of the Lentz International Peace Research Award.

Born in Anna, Ill., in June 1927, he graduated from Anna-Jonesboro High School and earned a bachelor of science degree in 1948 from Southern Illinois University at Carbondale, followed by advanced degrees.

Dr. Rendleman and his wife, the former Lenora Norris of Jonesboro, resided in Edwardsville.

Long recognized for his active participation and leadership in public and cultural affairs, Dr.

Rendleman played a key role in development of this metropolitan area. He served as first vice-president of the St. Louis Regional Commerce and Growth Association from 1972 to 1974 and as a member of the executive committee until last year.

He was co-chairman with Father Paul C. Reinert, S.J., chancellor of St. Louis University, of the ROGA Air Force Issues Committee, and he was co-chairman of "Task Force East" of the ROGA for two years. He also was a continuing member of the organization's Mass Transit Committee.

He was a member of the Higher Education Coordinating Council of Metropolitan St. Louis, the Advisory Council for the St. Louis Educational Television Commission, and the boards of directors of The Arts and Education Council of Greater St. Louis, the St. Louis Symphony Orchestra, the Mississippi River Festival and the governing board of St. Elizabeth Hospital of Granite City.

He formerly had served as a member of the St. Louis Council on World Affairs and on the executive board of the Cahokia Mound Council of the Boy Scouts of America.

Ivan A. Elliott Jr., chairman of the Southern Illinois University Board of Trustees, said Thursday afternoon, "John S. Rendleman gave his entire professional life in service to the Southern Illinois University system, and to the people of Downstate Illinois, first at Carbondale and since 1968 at Edwardsville."

"His was an era marked initially by tremendous university expansion and in more recent years by consolidation and maturation. He shared with former President Morris the vision of the tremendous potential for positive leadership which the university could provide in depressed areas of the state, and made improvement of opportunity for all the guiding force of his educational philosophy."

"He shall miss his great educational statesmanship, his dynamic leadership in the solution of area problems, and most of all his constant concern for the welfare of SIU students."

"Dr. Kochman, SIUE vice-president and provost, said, 'Southern Illinois University at Edwardsville is a reflection of the perception, dedication and educational statesmanship of John S. Rendleman as its leader in its formative years. His contributions to the growth and development of the university are many.'

"He will be remembered gratefully by students, faculty and staff as a man of good will who gave himself freely and unflinchingly to the cause of greater educational opportunity for all, regardless of race, sex or economic status."

"Citizens of Illinois for many years to come will benefit from what he has accomplished at SIUE as the dynamic guiding force who led this university to maturity in less than a decade."

"He saw the university as a positive force for improvement, both within the confines of the campus and in the vast area of the state which SIUE serves."

Methods to save on utility bills

By DR. ROWENA LUTZ

Consumer Information Director

Southern Illinois

University at Edwardsville

How can the average family cope with the cost of electricity and gas? Is there some effective way of cutting costs?

At a consumer meeting in which an Illinois Power Commission spokesman gave guidelines were given on how the average household could cut energy usage.

The first recommendation given was to cut heating and cooling costs of the home.

Without a doubt, the heating and cooling of homes does take a sizeable amount of energy.

Emphasis was given to the proper insulation of the homes and to living with lower temperature, 70 degrees or less in the winter.

If a house is kept at 70 degrees or less, humidity should be increased to give a feeling of comfort to an otherwise chilly room.

The type of lighting and the way lights are used have a definite effect on the cost of the electric bill — although lights are one of the smaller items of cost on an electric bill.

The fluorescent bulb utilizes approximately 50 per cent less electricity than an incandescent bulb.

Turning lights off when not needed also helps. Many people argue that saving is not noticeable.

Household appliances differ in degree of energy consumption control. Some appliances use such a small amount of energy that it would not be practical to reduce energy consumption of these items — toasters, coffee-makers, electric skillets etc.

The high energy users among appliances are air conditioners, refrigerators, television sets, clothes dryers, and electric ranges. There is some degree of consumption control of these items.

Refrigerators now have insulation and design modifications which help to reduce energy usage. A basic suggestion for cutting costs is not to open the refrigerator door so often and not let it stand open for even short periods of time.

Air conditioners have been made more efficient in the past few years. New models have fact tags giving the Energy Efficiency Ratio and information on selecting efficient air conditioners.

The newer "split" state television sets reduce energy consumption considerably.

It has been estimated that the transition to split state television will represent a 40 per cent saving, nationally, on the use of that product.

Reducing the hours the television set is on also helps to reduce cost.

Clothes dryers use a large amount of energy. However, most design changes would increase the complexity of the dryers — making the cost to the consumer more, not less.

Users could save small amounts of energy by following the directions for use, not overloading the dryer and not over-drying the clothes.

Line drying of clothes cuts the cost by is much more convenient.

Electric ranges are most efficient if used as recommended for years. Use flat bottom pans that fit the burner, reduce cooking temperature, and bake more than one item when using the oven.

Becoming a concerned consumer and utilizing energy-saving suggestions should prove worthwhile for the average family.

Navy Mothers hear speaker

John Matras, a representative of the Fleet Reserve Association, was the guest speaker at a meeting of the Granite City Navy Mothers Chapter on Thursday night at the VFW Hall.

After the roll call, he gave each mother a gift and informational brochures relating to the organization.

Matras presided at the business meeting, attended by 17 members and a guest, Mrs. Angela Dineen.

The group voted to donate \$10 to mentally handicapped children and to send \$10 to the new office of Navy Mothers to be credited for welfare work by the local chapter.

Matras also served as the nominating committee was Mrs. Joan Teller, chairman, and Mesdames Edna Miller, Alberts, Edithing, Vernis Von Nida and Norma Darnell.

The slate of officers will be presented for election at the April 5 meeting.

Mrs. Von Nida won the mystery package and the contest to serve as Mrs. Edna Miller.

The most social session will be on March 18 at the VFW and open invitation to joining the organization is advised to call Mrs. Gladys Markewich at 876-008.

July 60's hear

Circuit Judge Horace Calvo spoke to 58 members of the July 60's who met last week at the Granite City High School.

Director Bill Turner opened the meeting by presenting Dr. Jack Fritz, pastor, who gave the prayer.

Charles Masseege, executive, delivered a talk on "The Second Coming" and Beverly Masseege and Steve Standish presented the music program.

A salad and soup luncheon was served at the conclusion of the meeting. The director announced the group meets each Wednesday at 10 a.m. in the church fellowship hall, with a potluck luncheon and Bible study.

The program is open to everyone, regardless of church affiliation, and transportation can be arranged by calling the church at 877-6672 or Turner at 831-1625. Pastor Fritz announced.

Nameoki road budget up

Road and bridge budgets totaling \$213,500, or \$30,500 more than last year, have been posted for public inspection by the Nameoki Township Highway Department.

The new budgets for the fiscal year which began March 1, include \$93,500 in the general road and bridge fund, up \$6,300 from last year's \$87,200 appropriation; \$110,000 in the permanent road fund, up \$24,200 from last year's \$85,800, and \$10,000 for municipal retirement, up \$1,000 from last year's \$9,000 appropriation.

The largest single increase was in the appropriation for the maintenance and improvement of earth roads in the permanent road fund where \$100,000 is budgeted, \$23,000 more than the \$77,000 in that category last year.

Highway Commissioner Albert Bell explained the increase primarily is due to plans to widen and improve some earth roads in the township, but the increase also reflects higher prices his department is paying for materials to improve the roads.

The appropriation for the maintenance of hard roads in the permanent road fund was increased \$1,500, from \$8,800 to \$10,300.

In the general road and bridge fund, budgeted items, with last year's appropriation in parentheses, are: administration \$27,000 (\$21,000); maintenance of roads \$40,600 (\$42,000); maintenance of bridges \$9,900 (\$9,900); pur-

chases of machinery \$3,000 (\$2,000); repairs to machinery \$10,000 (\$10,000); and contingencies \$3,600 (\$3,300).

Aiding in supporting the budgets will be surpluses in the general road and bridge and permanent road budgets from this year.

Although some bills are still outstanding, the general road and bridge fund this week had \$30,562 remaining and the

permanent road fund had a \$3,974 balance. The municipal retirement fund was depleted and \$5,000 had to be borrowed on the 1976 tax collections in order to meet the bills in that fund.

A public hearing on the budget prior to its adoption will be held at 7 p.m. Tuesday, March 30, at the township hall, 4250 Highway 162.

A basic reading course will be offered at St. Elizabeth Hospital Monday and Thursday evenings from 6 to 8 o'clock, beginning March 22. The program, offered in conjunction with Belleville Area College, is designed to improve basic reading skills by improving speed and understanding.

Guild aids Hitz Home

The Afternoon Guild of St. John United Church of Christ met Thursday at the church to prepare 60 pads for the Hitz Home, Alhambra, preceding the noon dessert luncheon and afternoon business meeting.

Chairman Myrtle Landwehrner reported the Guild sent two bids, 300 pads and 16 gowns to the Hitz Home last month.

A program on "Liturgy for Human Family" was given by Mrs. Emma Rellke and Mrs. Ellen Ehler gave a talk on the programs of the Quad-City Church Women United.

Mrs. Georgia Engleke spoke on the Bicentennial events and plans for a July 3 parade. She added an exhibit of antiques will be displayed at the church. The secretary, Mrs. Eileen Anderson, gave her report. Mrs. Louise Frazier was appointed to serve as treasurer for one year replacing Mrs. Marie Willie, who had resigned.

A nominating committee was named by the chairman to include Mrs. Anderson, Mrs. Grace Hann and Mrs. Edna McKay. Members who have observed their birthdays in January, February and this month were honored during the session. Mrs. Hamm will be hostess at the April meeting. She announced the guest speaker will be Carl Santon of the Bunker Hill Gazette and all past presidents will be feted at the meeting.

Delegate candidate cites party's ideals

Julie Freedman of Granite City, an uncommitted candidate for one of the delegate positions at the national Democratic convention, said in a campaign statement today, "I have lived in Granite City for 22 years and I like it."

"A basic tenet of my religion is that we are required to work for the good of the community. I am now running for a position as a delegate to the Democratic national convention."

"I am independent and uncommitted, but I am wholly

committed to the Democratic party, the Democratic organization, and to its principles and ideals."

"I am intelligent, honest and concerned, and I feel that every citizen should be concerned enough to vote — as that is the only way to improve the quality of life and the quality of living in this area."

STABBED IN VENICE

Frank Skinner, 42, of East St. Louis, was reported in satisfactory condition Friday at St. Elizabeth Hospital suffering a two-inch cut to the lower back and a three-inch laceration to the upper arm. He was admitted at 12:50 a.m. Friday after he allegedly was stabbed in a house in the 800 block of Bissell Street, Venice. Police are investigating the incident.

VISION WEEK DISCUSSION. Mrs. Benjamin (Lila) Rose and Granite City Mayor Paul Schuler confer on the aspects of "Save Your Vision Week" observance set for this week by Dr. Robert L. Rosenthal, president of the Southwestern Illinois Optometric Society. Mrs. Rose is third vice-president of the Illinois Optometric Association Auxiliary.

Save Your Vision Week set

"Great Things in Sight" has been selected as the theme of the 1976 observance of Save Your Vision Week, set for this week by the Southwestern Illinois Optometric Society, it

was announced by Dr. Robert L. Rosenthal, president of the society.

Dr. Rosenthal said, "Even in colonial days, aids to keep vision up to par were recognized as a necessity by active older people, including one of America's most prominent senior citizens, Benjamin Franklin. Many advancements in vision care have been made in the last 200 years so that today's older Americans have a much broader range of care to help them preserve their ability to see for a lifetime."

"One of the greatest concerns of most older people is that some eye disease, such as glaucoma or a retinal disorder will rob them of their sight," Mrs. Benjamin (Lila) Rose, of Granite City, added.

Mrs. Rose who is third vice-president and education chairman of the Illinois Optometric Association Auxiliary, added older people generally do not have to give up driving but they should recognize their vision limitations and confine driving to place, speeds and hours in which they are most comfortable and most competent."

Forecast bankrupt schools

The 64,000-member Illinois Education Association on Friday assailed Governor Daniel Walker's education budget proposals, calling them "a no-to-grand design to bankrupt many of the state's school districts and bust the Downstate Teachers Retirement System."

Dr. Curtis Plott, IEA executive secretary, said the Walker plan is "the best rationale for endorsing Mike Howlett for governor in the March 16 primary, in his proposal the governor states that the \$149 million earmarked for education is new money," Plott said.

"To put his budget in truthful perspective, the \$149 million must be compared with the \$145 million he owes schools from last year as a result of his education cuts. The gain he's crowing about is really only \$4 million."

"The governor owes kindergarten through twelfth grade public schools the \$15 million he ripped away last year and yet he said he is trying to

achieve full funding for education. To fully fund education in K-12 schools would take \$227 million in actual new funds."

"Walker's token \$4 million still leaves \$223 million needed for full funding and spells sure disaster for many districts already on the verge of bankruptcy," Plott warned.

"The governor is about as close to full funding as he is to the Presidency."

Plott stressed that at least \$25 million of the governor's proposed \$149 million is needed to "barely meet current payout of the Teachers' retirement system. He has again failed to meet his former commitment to seek full actuarial funding of the system."

"This clearly increases the possibility of the system's eventual bankruptcy and raises the specter of another New York City, where teachers were hoodwinked into using their retirement funds to save a faltering city. We will do everything within our power to

prevent a similar circumstance in Illinois."

Plott said Walker's current claims that he is responsible for increased aid to schools is a "gross exaggeration. Sure, state aid has increased during his term, but the governor has had nothing to do with it."

"We first pushed the governor into full-funding, but it has been the Illinois Legislature that has really fought to achieve what the Constitution has mandated," Plott said.

"Walker's statements on full funding have really been exercises in deceit. He has never attempted to live up to his pledge to adhere to the Illinois Constitution, which places primary responsibility for funding on the state."

"The governor has mis-stated the contribution made by the federal government to K-12 schools. His 5.5 per cent federal contribution figure is erroneous. The actual figure is 6.2 per cent as outlined by his Illinois Office of Education. Such miscalculations are the hallmark of his budget building."

Resign school posts

The Granite City Board of Education has accepted the resignations of five teachers and a school monitor, as well as the resignations from extra-curricular duties of two basketball coaches.

The resignations of Bryan Wilkinson as varsity basketball coach and Gene Baker as freshman basketball coach at Granite City High School South, were accepted. Both plan to remain at the school.

Resignations due to retirement were accepted for Gertrude Luebbers, a middle intermediate level teacher at McKinley School, Francis Merkelsbach, a lower intermediate teacher at Webster School, Florence VanHouten, a middle primary teacher at Lake School, and Patricia Whalen, a lower intermediate teacher at Washington School.

Resignations also were accepted from James Reader, a campus monitor at GCHS South who is resigning to accept a position with the Granite City Police Department, and Patricia Hewitt, who has been

on a leave of absence from the district.

The board granted leaves of absence to Marcia Blankenship at Grigsby Junior High School, and Mary Davis, a secretary at GCHS South. Four other requests for leaves of absence were tabled until the board's March 16 meeting.

The board was told that a woman school bus driver had been placed on a 30 day work probation and ordered to take a retraining program at her own expense for crossing the railroad tracks at West Pontoon Road when the warning gates were down Feb. 19.

Officials of the R. W. Harmon & Sons school bus company were notified after a letter in the Press-Record Forum Feb. 26 by a woman who said she witnessed the bus cross the tracks moments before a train arrived in the crossing.

There were no children on the bus at the time, but all of the bus drivers for the company have been informed similar actions in the future will not be

tolerated and any driver seen crossing the tracks with the lights flashing will be dismissed immediately, the school board was informed.

House prowler

Darren Wylie, 9, of 2805 Dugwood Drive, told police he was on the front porch of his home when he heard a noise inside about 6:30 p.m. Thursday and investigated to find a young man in the house.

He said he saw a man about 20 years of age walk from a bedroom into the living room and then walk back into the bedroom.

When Darren's mother returned, he related the details to her and she called police. She said the bedroom drawers had been searched, but nothing was known to be missing.

Darren described the intruder as about 5 feet, 9 inches tall, weighing about 160 pounds and having black short hair. He was wearing a blue ball cap, blue denim pants, a white tee shirt and sun glasses with silver rims, officers were told.

STALLINGS PTA BOARD TO MEET THURSDAY

Stallings School PTA executive board will meet Thursday evening to complete plans for the general meeting on March 18, Mrs. Ruth Jorgensen reported.

Nomination of officers will take place at the session and tentative plans for the program are to show a film on Parent Education by the school nurse. Refreshments will be served by the fifth grade mothers.

LOOT PARKED CAR

Items valued at more than \$500 were stolen from the car of Wayne Kopchak, 3204 Aubrey Ave., parked in the driveway of the victim's home, it was reported at 7:45 p.m. Thursday. Stolen were 46 tape recordings worth a total of about \$400, a \$70 tape recorder, an antenna and cable, two raincoats and a jacket.

Chemical effect on fish listed

Carp sampled from Johnny's Pond in Lake, Rural Route Two, Granite City, show a tolerance above the permissible level of polychlorinated biphenyls, a chemical that could pose a health threat to persons eating such fish, Johnny Cuvor, operator of the fish lake, said Friday.

As a result, Cuvor said, no carp are being permitted to be taken from the lake.

Cuvor said the presence of the chemical in carp obviously results from using carp brought from Green Bay, Wis., to stock lakes in Southern Illinois.

"I don't want to give people the wrong impression about the fish in my lake," Cuvor said, adding that tests made of carp in his lake showed a tolerance of 2.5 parts per million of polychlorinated biphenyls, against a level of 5 parts per million which is permitted by the Federal Food and Drug Administration.

"This is about five times the permissible tolerance, and is not nearly as high as the level claimed by the FDA for some lakes," Cuvor said. He noted that FDA officials have said that fish in some lakes have a level of PCBs up to 15 times the permissible amount.

Kenneth Buerdlin, a representative of the regional FDA, said the PCBs problem is not limited to lakes in Illinois. He said the chemical has been found in fish in a number of lakes throughout the Midwest.

Wolf, Steele are endorsed

The Tri-Cities Independent Insurance Agents at their regular monthly meeting last week endorsed State Rep. Everett G. Steele, Republican, and State Rep. Sam W. Wolf, Democrat, as candidates for the representative of the 56th Legislative District.

Both Steele and Wolf are local businessmen who are qualified, Cuvor said, and have a record that merits their return to the legislature, a spokesman for the organization said.

TAKE THE CHAOS OUT OF THE STATE'S ATTORNEY'S OFFICE

Taxing question—who qualifies as dependent?

By FRANK R. RICE
President, Southern Chapter,
Illinois CPA Society

Fourth in a series of articles on 1975 income taxes.

Although taxpayers realize they can claim a \$750 exemption for each dependent, not everyone is sure who qualifies as a dependent.

How about that 20-year-old away at college? Or the elderly parent who doesn't live with you

but whom you help support? Or the family member who died last year?

The right answers to such questions are more important than ever, thanks to the 1975 Tax Reduction Act.

This year, each of your dependents is worth not only the deduction but an extra credit of \$30—that's \$30 you can subtract from your tax bill, or claim as a refund if your taxes

were fully covered by withholding.

To begin at the beginning, your first dependent is yourself, and that is true even if you are also the dependent of another taxpayer, as in the case of a young person with a part-time job whose parents provide more than half his support.

On a joint return, there are at least two dependents, husband and wife. And if either of them is over 65 or technically "blind," there are extra exemptions for each of these conditions (although these extra exemptions do not qualify for the \$30 tax credit).

The over-65 and blindness exemptions can be taken only by the persons affected; if such individuals are the dependents of another taxpayer, he doesn't get the added break.

Your child under 19 is a dependent if you provide half his support. This continues to be true after he passes 19 if he is a full-time student.

Generally, there are five tests that determine whether a person is your dependent. To qualify, he must meet all five:

—You provide more than half his support.

—He makes less than \$750 gross income.

—He lives with you for the entire year or is a close relative.

—He is a citizen or resident of the U. S., Canada, Mexico or Panama.

—He does not file a joint return with another taxpayer except for the purpose of claiming a refund of taxes withheld.

What about a child born late in the year? The baby born during the year is a dependent.

The same is true of a dependent who dies; generally, if the person qualified as a dependent during any part of the year, the taxpayer gets the full exemption.

This is not true, though, in the case of a man whose wife dies and he remarries before the end of the year; he can claim only the new wife.

Also, a man who is divorced or legally separated as of the end of the year loses the exemption for the divorced or estranged wife.

In the case of elderly parents supported jointly by two or more of their children, none of whom provides more than half the support, the exemptions can be taken by one of the young people who contributed at least 10 per cent—if the others sign a statement that they are not claiming the exemption this year.

The exemption for the child of a divorced couple generally goes to the parent having custody for the greater part of the year.

However, the other parent qualifies if he contributed at least \$600 toward the child's support and the divorce decree specifies that he get the exemption, or if he contributed at least \$1,200 and the other parent cannot establish that he or she provided more.

Drugs still major crime problem here

Cooperation between local police departments and the Metropolitan Enforcement Group (MEG) of Southern Illinois is good and has resulted in numerous drug arrests, a field supervisor for MEG told the Breakfast Kwanian club at its meeting Thursday morning in Charlie's Restaurant.

The MEG agent, who requested his name not be used, told the Kwanians that contrary to some recent news articles, the drug problem in our area "is as bad if not worse" than it ever was.

He also pointed out that a national study made recently revealed that between 85 and 95 per cent of all crimes are drug oriented.

"If we can get the drug dealers and users off the street and keep them off, there will be

a marked decrease in street crimes," he said. "There are people with heroin drug habits costing them as much as \$400 a day. A \$100 day habit is not uncommon."

"In the eight months we have been in existence we have made 400 good cases. However, as we all know this does not mean the offender, if found guilty, will go to jail."

"I do want to say that in the Granite City area we have excellent cooperation with the police. Frequently in an area such as here, and in towns even smaller, the local police are too well known to do much good in fighting the drug problem, so they will call us in."

"We have agents that will move into an area and live there, working for some time undercover. Our agents try to stay undercover and out of the limelight. All of our agents are experienced police officers. The newest agent we have has been a police officer for three years."

"MEG is funded by the federal government through the Southwestern Illinois Law Enforcement Commission. Participating police departments send us experienced officers and their salaries then are reimbursed to the local department."

"I would like to ask that any person suspecting a house or an apartment is being used for drug traffic, or an individual is dealing, to contact the local police. They will notify us and we can then put a MEG team to work."

"The general public can do a lot to curb the crime in the street and the drug problem by cooperating with their local police departments," the agent concluded.

Nurse aide graduation

Graduation of 14 nurse aide students from the Venice Lincoln Technical Center nurse aide program was held in the Wiseman Room of St. Elizabeth Hospital.

The 12-week nurse aide training program is a joint effort of the Venice Technical Center and St. Elizabeth Hospital, with the students receiving their clinical training at the hospital.

White Gideon Bibles were presented to each graduate. Speakers at the graduation ceremony were Sister Mary Michael, director of Nursing Service, Russ Wilson, regional supervisor from the Illinois Office of Education, Robert N. Vickers, superintendent of Venice School District 3, and K. D. Rankin, director of the Venice Lincoln Technical Center.

Invocation and benediction were offered by Sister Geraldine of Pastoral Care.

BREAK INTO WAREHOUSE: A gasoline engine valued at \$281 was stolen from the warehouse at Seibold's Bakery, 2945 Madison Ave., during a burglary reported at 4:25 p.m. Tuesday. Plywood was broken out of a west window and entry was gained by reaching through the window to unlock a nearby door.

GC police plan firing range

Granite City police are completing designs for a new firing range which is planned for construction this spring on property leased by the city at the Granite City Army installation.

The range formerly used by police for training and shooting competition is being torn down.

The John Marshall Gun Club, located on Granite City Steel property, is giving way to construction of a new water treatment facility for the steel company.

Chief of Police Ron Veizer said the Army and local officers have been very cooperative with the city in planning for a

new firing range.

The use of land on the installation plus other courtesies extended by the Army will enable the city to construct a much better facility for the \$3,000 budgeted than could be constructed if the city had to purchase land and complete the project without help, he added.

Although the money is budgeted, not all of it is available at this time and the entire amount may not be available until tax collections begin this spring or summer, city officials told the Press-Record.

A 20 to 30 stand concrete pad, all under a roof, with concrete runways from the shooting area to the targets is envisioned.

A large "berm," or hill of dirt, will be behind the target to keep stray bullets from leaving the range. It is anticipated the construction will be in phases with later construction of a building housing restroom facilities and a meeting area in the planning.

Veizer said the facility being planned, "will be one of the best and most modern in the country, when completed. We are going to try to go first-class on everything possible," he added.

He said access to the Army installation may present a small problem for persons not on the police department, but noted the facility should be open for large meets the city hosts.

Using the Army installation, he added, offers the advantage of having security and controlled access to the rifle range 24 hours per day.

Regulations on tuition, deferment

The Student Work and Financial Assistance Office at Southern Illinois University at Edwardsville has announced a tuition and deferment schedule for the spring quarter.

William Burns, assistant director, said deferments will be issued on: March 23, 24, 25 and 26, from 8:30 a.m. until 4:30 p.m.; and March 29 through April 2 during the same hours.

To accommodate students attending night classes at the university, deferments will be issued from 5 until 7 p.m. on March 23, 29 and 30.

Effective with the spring quarter, SIUE students will be unable to obtain deferments if they have any unpaid obligations at the university.

Accounts receivable items range from unpaid parking tickets and overdue books to past-due short-term loans.

All of these debts will have to be cleared at the bursar's office before a deferment will be issued by the SWFA office. Students having verification that they will be receiving financial aid will be able to receive a deferment upon agreeing to pay all accounts receivable debts when they receive their financial aid.

Students wishing to obtain deferment must apply in person at the SWFA office and must present their No. 3 card. Those registering at central registration must also submit their fee assessment cards.

Morton to be Alton speaker

Rogers Morton will be guest speaker at a luncheon at the Stratford Hotel in Alton Friday, March 12, at noon. The public is welcome.

Morton is presently counselor to the President, and has served as secretary of Commerce, secretary of the Interior and congressman from a Maryland district.

Mr., Mrs. S. G. Brawley to mark 60th anniversary

Mr. and Mrs. Samuel G. Brawley, 2903 Myrtle Ave., will observe their 60th wedding anniversary at an open house reception for friends and relatives on Sunday, March 14, at the Glenview Chapel, Assembly of God Church, Wilson Avenue and Maryville Road.

Guests will be received by the honorees from 2 to 5 p.m.

The couple was married in New Liberty, Mo., in 1916 and moved to the Quad-City area in 1922.

Mr. Brawley was employed at the American Car and Foundry for many years prior to his retirement 11 years ago. Both Mr. and Mrs. Brawley are members of the Glenview Chapel.

They have five children, Mrs. Edna Fears, Floyd and Samuel Brawley, all of Granite City, Mrs. Velma Loehr of Manchester, Mo., and Ralph Brawley, Venice chief of police. They also have 25 grandchildren and 11 great-grandchildren.

MR. AND MRS. SAMUEL BRAWLEY, 2903 Myrtle Ave., who will be honored on their 60th wedding anniversary at an open house reception Sunday at the Glenview Chapel, Assembly of God, Wilson Avenue and Maryville Road.

Rotary Anns hear book review

A review of the book "Those Who Love," by Irving Stone, a historical novel about Abigail Adams during the pre and post revolutionary days, was given by Mrs. Dorothy Bunte at a Rotary Ann meeting.

Club members met at Chalmers Restaurant for lunch and the business session. St. Patrick style hats were used to decorate the tables arranged by hostesses Mesdames Betty Mathias, Dorothy Kerch, Joanne Kraus, Mary Matosian, Carol Partney, Emily Thebeau and Mary Wilkins.

Mrs. Jo Ann Terrell conducted the meeting and reminded the members to send cupcakes for the Rotary Chili Day on Tuesday.

Others present were Mesdames Evelyn Ackerman, Linda Bristol and daughter Heather, Lorraine Decatur,

Harry Epsteins mark 55 years

Dr. and Mrs. Harry Epstein, 2862 Iowa St., observed their 55th wedding anniversary and the 24th wedding anniversary of their son-in-law and daughter, Mr. and Mrs. David Art of Creve Coeur, Mo., Sunday, at a family dinner in the Art home.

Both couples were married on the first Sunday in March by the same Rabbi, the late Rabbi Samuel Tharman of St. Louis. They have celebrated their anniversaries together for the past 24 years.

25 honored at Area PTA Council banquet

Mrs. Dorothy Phelps, president of the Granite City PTA Area Council, and her husband Earl Phelps, were dressed in George and Martha Washington costumes to welcome members and guests at the annual awards banquet held at South High School, last week.

Junior Girl Scout Troop 709 under the leadership of Mrs. Nancy Wickham and Mrs. Bonnie Lazenby, presented the colors and led the group in singing the national anthem. Invocation was given by Mrs. Eula Brazier.

Mrs. Phelps introduced special guests Mr. and Mrs. George Moore, Mr. and Mrs. Harold Briggs, B. J. Davis, Mrs. Phyllis Currins, Owen Humphrey, Dale Rea, Mr. and Mrs. Ray Drumm, Mr. V. J. Brazier and Earl Lee, the first recipient of the PTA life membership given by the council.

Entertainment for the evening was presented by the Granite City Elementary Chorus under the direction of Mrs. Mary Jane Pester and Patricia Michaeloff.

Arrangements for the event which followed a Bicentennial theme was completed by Carolyn Thornburg, general chairman; Mary Lou Hudson, awards presentation; Carol Grimm and Barbara Haddock, hospitality; and Julie Gates and Barbara Schwertmann, reservations.

The next meeting of the council will be at 7:30 p.m. on March 25 at Mitchell School. The program will deal with communication between parents and students and will feature a panel of junior and senior high students, the president announced.

After the dinner a special award was presented to George Moore, president of the Granite City Board of Education.

Other awards were presented to the following: Emerson School, Lillie Paul, Lois Gunderson and Sheila McLaughlin; Frohardt School, Sarah Metcalf, Florence Petrovich and Merna Musterman; Johnson School, Erma Curtis, Kay Hallet and Richard Brinkhoff; Lake School, Charlene Pohlman, Loreta Rakowski and Ed Gonwa; McKinley School, Gertrude Leubben; Mitchell School, Bernice McKay; Parkway School, Kathy Wittevrongel, Agnes Fryntko and Karen Melton; Maryville School, Pauline Perkins; Stallings School, Yvonne Counts, Maudie Bates, Phyllis Meyer, Judy Kopychak, Bob Anderson and Roy Seaman.

Evangelist meet

Quad-City area churches are participating this week in a series of evangelistic meetings at the Show Center, 8785 St. Charles Rock Road, St. Louis, at which Dr. Jack Van Impe is the evangelist.

The meetings opened Sunday and will continue daily at 7:30 p.m. through this week, ending March 14.

Dr. Van Impe will touch on the problem of drug abuse, discussion of the coming war with Russia as predicted in the Bible and an assessment of America's chances for survival during the decade of the 70s, according to sponsoring church officials.

NOTICE OF Hearing on Proposed Zoning Change

Notice is hereby given to all parties concerned, that pursuant to Article 23 of Ordinance No. 1785 of the City of Granite City, Illinois, the City Plan Commission will hold a public hearing at 2201 Adams of said City of Granite City, Illinois, at the hour of 1:15 p.m. CST on the 15th day of April, 1976, at which meeting it will consider a petition for the amendment of Ordinance No. 1785, (being the Zoning Ordinance of said City), as same affects the following-described real estate, to-wit: Lot 7, Block 2 Eastmoor Addition, located in the south-west

DIRECTIONS FOR VOTING ON THE VOTING MACHINE

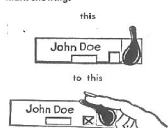

PULL the red handle of the curtain lever (lower left side of the machine) from the left to right as far as it will go and leave it there (this will close the curtain around you and unlock the machine for voting).

INSTRUCTIONS AFTER CLOSING THE CURTAIN

NOTE: As Primary Elections you are confined to make selections in only one party. The Party of your choice in which you declared yourself to be a member.

On the ballot shown at the right you will find the title of office and the names of the candidates. Turn down the pointer at the right of the candidates you wish to vote for until an ☒ mark appears adjacent to each candidate's name and leave the ☒ mark showing.

Leaving the pointer or pointers down in their voting position, pull the red handle of the curtain lever to the left as far as it will go and leave it there (this will register your vote and return the pointers to their first position, after which the curtain will open).

A FEW WORDS OF EXPLANATION, MACHINE VOTING

No votes are registered until you pull the curtain lever to the left to open the curtain. You can therefore MAKE AS MANY CHANGES IN YOUR BALLOT AS YOU WISH WHILE THE CURTAIN LEVER IS AT ITS EXTREME RIGHT (CURTAIN CLOSED).

The machine is so arranged that you cannot turn down more than the proper number of pointers for an office. For example, if only one candidate is to be elected to an office you can turn down only one pointer for that office. If more than one candidate is to be elected to an office, you can turn down as many pointers up to the number of candidate to be elected to that office.

There is no danger of anyone knowing how you vote, as the movement of the curtain lever to the left records your vote and returns the voted pointer up to its unvoted position before the curtain begins to open.

I, EVELYN M. BOWLES, COUNTY CLERK OF MADISON COUNTY, ILLINOIS, DO HEREBY CERTIFY THE FOREGOING IS THE OFFICIAL DEMOCRATIC AND REPUBLICAN BALLOTS TO BE VOTED AT THE PRIMARY ELECTION TUESDAY, MARCH 16, 1976.

Evelyn M. Bowles

DIRECTIONS FOR VOTING ON THE VOTING MACHINE

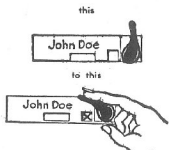

PULL the red handle of the curtain lever (lower left side of the machine) from the left to right as far as it will go and **leave it there** (this will close the curtain around you and unlock the machine for voting)...

INSTRUCTIONS AFTER CLOSING THE CURTAIN

NOTE: At Primary Elections you are confined to make selections in only one party. The Party of your choice in which you declared yourself to be a member.

On the ballot shown at the right you will find the title of office and the names of the candidates. Turn down the pointer at the right of the candidate you wish to vote for until an ☒ mark appears adjacent to each candidate's name and leave the ☒ mark showing.

Leaving the pointer or pointers down in their voting position, pull the red handle of the curtain lever to the left to open the curtain. You can therefore make AS MANY CHANGES IN YOUR BALLOT AS YOU WISH WHILE THE CURTAIN LEVER IS AT ITS EXTREME RIGHT (CURTAIN CLOSED).

A FEW WORDS OF EXPLANATION, MACHINE VOTING

No votes are registered until you pull the curtain lever to the left to open the curtain. You can therefore make AS MANY CHANGES IN YOUR BALLOT AS YOU WISH WHILE THE CURTAIN LEVER IS AT ITS EXTREME RIGHT (CURTAIN CLOSED).

The machine is so arranged that you cannot turn down more than the proper number of pointers for an office. For example, if only one candidate is to be elected to any office you can turn down only one pointer for that office. If more than one candidate is to be elected to an office, you can turn down as many pointers up to the number of candidates to be elected to that office.

There is no danger of anyone knowing how you vote, as the movement of the curtain lever to the left records your vote and returns the voted pointer up to its unvoted position before the curtain begins to open.

DIRECTIONS FOR VOTING ON THE VOTING MACHINE

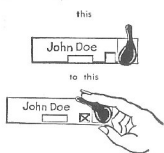

PULL the red handle of the curtain lever (lower left side of the machine) from the left to right as far as it will go and leave it there (this will close the curtain around you and unlock the machine for voting).

INSTRUCTIONS AFTER CLOSING THE CURTAIN

NOTE: At Primary Elections you are confined to make selections in only one party. The Party of your choice in which you declared yourself to be a member.

On the ballot shown at the right you will find the title of office and the names of the candidates. Turn down the pointer at the right of the candidate you wish to vote for until an ☒ mark appears adjacent to each candidate's name and leave the ☒ mark showing.

Leaving the pointer or pointers down in their voting position, pull the red handle of the curtain lever to the left as far as it will go and leave it there (this will register your vote and return the pointers to their first position, after which the curtain will open).

A FEW WORDS OF EXPLANATION, MACHINE VOTING

No votes are registered until you pull the curtain lever to the left to open the curtain. You can therefore **MAKE AS MANY CHANGES IN YOUR BALLOT AS YOU WISH WHILE THE CURTAIN LEVER IS AT ITS EXTREME RIGHT (CURTAIN CLOSED).**

The machine is so arranged that you cannot turn down more than the proper number of pointers for an office. For example, if only one candidate is to be elected to any office you can turn down only one pointer for that office. If more than one candidate is to be elected to an office, you can turn down as many pointers up to the number of candidate to be elected to that office.

There is no danger of anyone knowing how you vote, as the movement of the curtain lever to the left records your vote and returns the voted pointer up to its unvoted position before the curtain begins to open.

I, **EVERLYN M. BOWLES**, COUNTY CLERK OF MADISON COUNTY, ILLINOIS, DO HEREBY CERTIFY THE FOREGOING IS THE OFFICIAL DEMOCRATIC AND REPUBLICAN BALLOTS TO BE VOTED AT THE PRIMARY ELECTION TUESDAY, MARCH 16, 1976.

Nameoki highway workers strike

Workers for the Nameoki Township Highway Department, after working without a union contract for three days, went on strike Thursday.

Pickets have been established at the highway department garage. The workers are represented by Teamsters Local 525 of Alton.

The union's business agent was not available for comment, but Nameoki Township Highway Commissioner Albert Bell issued a public statement Friday detailing his last contract offer which was rejected by the workers and giving his view of the issues involved in the strike.

Bell's statement follows.
"The Highway Department employees elected to go on strike and set up picket lines on Thursday after recent negotiating sessions failed to reach an agreement."

"The Highway employees, through their business agent, requested several changes in language in the previous contract and asked for wage increases in the amount of 30 cents per hour for each employee immediately and an additional 50 cents per hour increase for each employee at the beginning of the second year on a two-year agreement."

"At the conclusion of the last negotiating session, a tentative agreement was reached between the highway commission and the union business agent, which included certain language changes and an offer for an immediate increase in pay of 50 cents per hour, and an additional increase of 25 cents per hour at the end of one year, plus a cost of living adjustment of 3 cents for each base point increase between Feb. 1, 1976, and March 1, 1977, with a maximum 34 cents cost of living increase."

"Also included was the tentative approval to change the hospitalization and life insurance coverage to the teamster's insurance plan, which the employees believe to contain broader coverage and include dental care."

"This proposal was taken back to the employees and rejected the offer and changed the wage demand to a 70 cent per hour increase immediately, with only a 12 month agreement."

"This proposed offer would allow the road repairmen \$5.80 per hour initially and \$5.06 per hour at the end of the one year plus the cost of living adjustment; the working foreman and the mechanical foreman would receive initially \$5.65 per hour and \$5.91 per hour plus cost of living adjustments at the end of one year."

"Since the current term of the highway commission expires in approximately two months after the beginning of the second year, the agreement would be open for negotiation again at the time."

"The new demands call for \$5.80 per hour for the road repairmen and \$5.45 per hour for the working foreman and mechanical foreman immediately, for only a 12 month agreement. If the present work force were maintained, the demands would result in excess of \$97,000 next year for labor alone, not including any additional overtime pay."

"Last year, taxes received for the general road fund and special hard road fund totaled approximately \$137,000. This means that on an annual basis there would be left available approximately \$40,000 to purchase road materials, culvert, operate and repair the equipment, administration, insurance, etc."

"Additional taxes are not available, as the maximum rate by law is now being levied. In either case, it appears that a reduction in forces will be necessary."

"There will be approximately a \$65,000 balance in the road funds when the balance of this fiscal year's bills are paid, which will be used to meet expenditures until taxes are received. There may be some additional tax money which will come in, but this is considered in the above annual amount available."

"There also has been made available through revenue sharing funds, a portion of the employees' wages when they are involved in a strike or environmental cleanup program. This should provide annual wages for approximately two employees in the coming year, but revenue sharing funds cannot be relied upon to continue forever."

"I have tried in this statement to you, the taxpayer, to present a clear and accurate picture of the present problem. I am convinced that again this year, as in previous years, that politics are playing a major part in these negotiations."

"I believe that the wages and benefits offered are fair and equitable for the work to be performed and, as you can see, there is a limited amount of funds available. Hopefully, a reasonable settlement can be reached and the men returned to work. I feel it is my duty as your elected official, to manage your tax dollars to the best of my ability."
